Actress Anne Heche to Launch New SiriusXM Show

The acclaimed actress will host "Love and Heche" with SiriusXM's Jason Ellis every Saturday on SiriusXM Faction Talk channel

The talk show will offer real and frank advice about sex and relationships

NEW YORK, May 18, 2017 /PRNewswire/ -- Today SiriusXM announced that actress Anne Heche will host a new show with popular SiriusXM host Jason Ellis. Broadcast from Los Angeles, "Love and Heche" will air at 2:00 p.m. ET on Faction Talk channel 103.

Known for her Emmy and Tony-nominated performances on the screen and stage, throughout her career Heche has also made global headlines with her personal life. Now every Saturday on "Love and Heche," Anne and Jason will have real, frank discussions about love, sex, and relationships, as well as open up about their own experiences. The duo will also answer listeners' questions, giving SiriusXM subscribers a rare opportunity to get advice from two personalities who promise not to hold back.

"Both Anne and Jason are not exactly shy when it comes to matters of the heart – or anything else," said Jack Vaughn, SVP of Comedy Programming, SiriusXM. "I love the combination of these two friends getting together for very real, very funny, and very personal conversations. SiriusXM will be the perfect home for their uncensored advice."

"Love & Heche" is the latest addition to the new Faction Talk lineup, which launched in January as an unpredictable and provocative new channel featuring SiriusXM stars Gregg "Opie" Hughes, Jim Norton, and Sam Roberts. The channel is also the new home to Jason Ellis's successful weekday show, in which he shares his humorous and irreverent worldviews from 11:00 a.m. – 3:00 p.m. ET.

New additions to the channel also include the premiere of a daily show from comedian Nick DiPaolo. The outspoken personality's eponymous new program airs live on weekdays from 6:00 – 8:00 p.m. ET. Never afraid to be brutally honest, DiPaolo's show delivers his razor sharp wit on politics, everyday experiences, and everything in-between.

Below is the brand new, always provocative Faction Talk weekday line-up:

Jim Norton and Sam Roberts hosted by Jim Norton and Sam Roberts (8:00 a.m. – 11:00 a.m. ET)

The Jason Ellis Show hosted by Jason Ellis (11:00 am – 3:00 p.m. ET)
The Opie Radio Show hosted by Gregg "Opie" Hughes (3:00 – 6:00 p.m. ET)
Nick DiPaolo Show hosted by Nick DiPaolo (6:00 – 8:00 p.m. ET)
The Covino & Rich Show hosted by Steve Covino and Rich Davis (8:00 – 11:00 p.m. ET)

Faction Talk launched in January as the unpredictable and thought-provoking channel inspired by its punk-infused sister channel, the music and sports-focused Faction (ch. 41).

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results and the timing of events may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results and the timing of events to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our substantial competition, which is likely to increase over time; our ability to attract and retain subscribers, which is uncertain; interference to our service from wireless operations; consumer protection laws and their enforcement; unfavorable outcomes of pending or future litigation; the market for music rights, which is changing and subject to uncertainties; our dependence upon the auto industry; general economic conditions; the security of the personal information about our customers; existing or future government laws

and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; our failure to realize benefits of acquisitions or other strategic initiatives; rapid technological and industry changes; failure of third parties to perform; our failure to comply with FCC requirements; modifications to our business plan; our indebtedness; our principal stockholder has significant influence over our affairs and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock; impairment of our business by third-party intellectual property rights; and changes to our dividend policies which could occur at any time. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2016, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
