Pandora to Showcase Howard Stern Interviews: "19 from 2019"

Pandora and Howard Stern Present Selections from His Top Interviews from 2019 Available for The First Time To All Pandora Listeners

Brings "the best interviewer in the business" to the largest U.S. audio streaming service for free

Additionally, SiriusXM's Howard 100 and 101 will feature his "Best of 2019" through year-end

NEW YORK, Dec. 16, 2019 /PRNewswire/ -- SiriusXM, Pandora and Howard Stern today announced that Howard Stern: 19 from 2019 -- a curated showcase of selections from *The Howard Stern Show's* unparalleled, world-class interviews -- will be available as a podcast series on Pandora, the most popular audio streaming App in the U.S.

Howard Stern: 19 from 2019 will feature fascinating, surprising and often amusing stories curated into podcasts and drawn from Howard Stern's deep interviews with top-level celebrities including Jennifer Aniston, Russell Crowe, Robert Downey Jr., and Kristen Stewart; musicians including The Black Crowes, Def Leppard, Billie Eilish, and Adam Levine; comedians including Jimmy Kimmel, Tracy Morgan, Seth Rogen, and Adam Sandler; and newsmakers such as Hillary Clinton.

Howard Stern, exclusively on SiriusXM since 2006, has never been bigger. His skill as a remarkably thoughtful, curious, conversational, trusted interviewer has attracted A-list celebrities for lengthy on-air discussions that regularly earn Howard high praise, extensive news coverage, and frequent acclaim as "the best interviewer in the business."

Howard Stern joined SiriusXM 14 years ago after decades of local and syndicated terrestrial radio dominance, for the freedom from censorship and the freedom to do interviews the way he had always dreamed. Howard Stern's two 24/7 channels on SiriusXM and robust content on the SiriusXM app feature his radio show's interviews, his edgy comedy, entertaining conversations with his long-time team, curated selections from his extensive archives, and the recently-launched "Howard Stern Video" which includes video versions of every full interview. This year, Howard Stern released a critically-acclaimed #1 best-selling book featuring stories from a career's worth of interviews from his radio show, "Howard Stern Comes Again." Howard Stern: 19 from 2019 is available for the first time [on the recently redesigned Pandora app](#).

On SiriusXM, Howard Stern's Howard 100 will feature "Best of 2019 – The Interviews," and Howard 101 will feature "Best of 2019 – Everything Else," from December 23rd through January 5th. Full video of every 2019 interview will also be showcased, on the SiriusXM app.

About SiriusXM

Sirius XM Holdings Inc. (NASDAQ: SIRI) is the world's largest audio entertainment company, and the premier programmer and platform for subscription- and advertising-supported audio products. With the recent addition of Pandora, the largest streaming music provider in the U.S., SiriusXM reaches more than 100 million people with its audio products. This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results and the timing of events may differ materially from the results anticipated in these forward-looking statements. The following factors, among others, could cause actual results and the timing of events to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our substantial competition, which is likely to increase over time; our ability to attract or increase the number of subscribers, which is uncertain; our ability to profitably attract and retain more price-sensitive consumers; failure to protect the security of personal information about our customers; interference to our service from wireless operations; a decline in the effectiveness of our extensive marketing efforts; consumer protection laws and their enforcement; our failure to realize benefits of acquisitions or other strategic initiatives, including the acquisition of Pandora Media, Inc.; unfavorable outcomes of pending or future litigation; the market for music rights, which is changing and subject to uncertainties; our dependence upon the auto industry; general economic conditions; existing or future government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; rapid technological and industry changes; failure of third parties to perform; our failure to comply with FCC requirements; modifications to our business plan; our indebtedness; damage to our studios, networks or other facilities as a result of terrorism or natural catastrophes; our principal stockholder has significant influence over our affairs and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock; impairment of our business by third-party intellectual property rights; and changes to our dividend policies which could occur at any time. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2018, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
