Originally launched in 2006, Radio Monaco is the first and only music stream that originates from Monaco.

Monaco may be one of the smallest countries in the world, but it has always been at the forefront when it comes to entertainment. From a long history with Princess Grace to many legendary music and entertainment performances over the years, it continues to be on the pulse of dance music with its legendary Jimmy's Monte-Carlo club and trendsetting Radio Monaco. Now SiriusXM and Radio Monaco have come together to form the unique high energy Radio Monaco channel, which will make listeners feel the beat and pulse of the sounds of Monte-Carlo and much more coming from the principality.

Hear special performance broadcasts and DJ sets from superstars like Alec Monopoly, DJ Flo Dosh, Diplo and many more. Curated specifically for SiriusXM listeners, the channel brings Monaco's entertainment, exuding opulence, glamor, and world class performances and events to radio like never before.
