Global Rock Superstars Green Day to Perform Exclusive Small Stage Concert for SiriusXM in New York City

Special performance at Irving Plaza on January 18 to air on the band's new SiriusXM pop-up channel Green Day Radio and on Howard Stern's Howard 101 channel

SiriusXM's Green Day Radio to launch on December 27

NEW YORK – December 27, 2023 –SiriusXM announced today that four-time GRAMMY® Award winning global rock superstars Green Day will perform a special exclusive small stage concert for SiriusXM at New York City's iconic Irving Plaza on Thursday, January 18.

SiriusXM Small Stage Series with Green Day presented by Carnival Cruise Line will commemorate the release of Green Day's upcoming album *Saviors*, out January 19.

Attendees will get the exclusive opportunity to hear the band perform songs from the album ahead of its release live in concert, along with other fan favorites. Adding to the fanfare, this marks a rare appearance for the band at Irving Plaza, just their fourth since their first show at the venue in 1994, which took place shortly after their iconic album *Dookie* released and propelled them into super stardom.

SiriusXM subscribers can enter for a chance to win tickets to see Green Day perform, through the SiriusXM app on Green Day Radio starting December 27 through Monday, January 8. For all entry details and official rules visit siriusxm.com/greendaypr. No purchase necessary to enter or win.

The band also announced today that on December 27 they are bringing Green Day's three decades of groundbreaking punk exploration and innovation to their own SiriusXM pop-up channel, Green Day Radio, to celebrate the release of *Saviors* as well as the 30th anniversary of *Dookie* and the 20th anniversary of *American Idiot*.

The channel will feature exclusive stories and insight from each band member as they walk listeners through their biggest tracks, brand new music from their upcoming album and music from artists that have inspired them throughout their legendary career.

Green Day Radio will also be the place for fans to experience Billie Joe Armstrong, Mike Dirnt and Tré Cool's exclusive performance live. The show will air in its entirety on Green Day Radio (ch. 107) and will also be available to stream on the SiriusXM app. Additionally, the concert will air on Howard Stern's SiriusXM channel, [Howard 101](#).

"Green Day has continued to exemplify rock music for almost 30 years with iconic albums that continue to resonate with fans both new and old," said Scott Greenstein, President and Chief Content Officer, SiriusXM. "We are thrilled to bring our listeners and their fans this exclusive show celebrating the band's milestones."

Green Day Radio will be available to subscribers nationwide in their cars on channel 107 and on the newly refreshed SiriusXM app from December 27 through January 23. Eligible customers can get their first three months of SiriusXM streaming for free. Click [here](#) to sign up and experience all that SiriusXM has to offer. See offer details.

Green Day recently announced their massive 2024 global stadium tour, The Saviors Tour, with support from with the illustrious rock luminaries The Smashing Pumpkins, Rancid, and The Linda Lindas in North America and Nothing But Thieves, The Hives, Donots, The Interrupters and Maid of Ace in the UK/EU. The Saviors Tour, fueled by Monster Energy, kicks off with the European run on May 30 and will be a larger-than-life, career-spanning celebration of one of the biggest musical acts of all time and some of the most important albums in history.

About Green Day

Formed in 1986 in Berkeley, CA, Green Day is one of the world's best-selling bands of all time, with more than 75 million records sold worldwide and 10 billion cumulative audio/visual streams. The five-time Grammy Award-winning Rock and Roll Hall of Fame inductees

released their breakout album *Dookie* in 1994, which sold over 10 million and achieved 10x Platinum Diamond status, is widely credited with popularizing and reviving mainstream interest in punk rock, catapulting a career-long run of #1 hit singles. *Entertainment Weekly* calls Green Day, “The most influential band of their generation,” while *Rolling Stone* attests, “Green Day have inspired more young bands to start than any act this side of Kiss, and that doesn't seem to be changing.” In 2004, Green Day released the rock opera *American Idiot* which captured the nation's attention, selling more than 8 million copies in the U.S. alone and taking home the Grammy Award for Best Rock Album. *Mojo* declared “It's exhilarating stuff, the kind of record that sets new parameters as to what is possible from a punk rock'n'roll band in the 21st century.” In 2010, a stage adaptation of *American Idiot* debuted on Broadway to critical and commercial acclaim. Released in 2020, Green Day's thirteenth studio album *Father Of All...* debuted at #1 on *Billboard's* Album Sales Chart and #1 in both the U.K. and Australia. *Pitchfork* declared, “Green Day's most fetching and youthful songs in ages. The trio sounds reinvigorated, more like hungry newcomers staking their claim.” In July 2021, Green Day embarked on The Hella Mega Tour (w/ Fall Out Boy & Weezer). The global tour included 29 sold-out stadium gigs – including renowned venues like London Stadium and Los Angeles' Dodger Stadium. On October 24, the band announced the release of their highly anticipated 14th studio album, *Saviors*, coming January 19, '24 along with a new single, “The American Dream Is Killing Me.” In support of the forthcoming album, Green Day announced The Saviors Tour, which will be headed to stadiums globally in 2024.
