During the interview, Don Was, who has produced many Rolling Stones studio albums, including *Voodoo Lounge* and 2005's critically-acclaimed *A Bigger Bang*, as well as the live albums *Stripped* and *Live Licks*, will talk with Jagger, Richards and Watts about the process of putting together the re-release of *Exile on Main Street*. The band gave Was access to the master tapes from the historic sessions, and he will share with SIRIUS XM listeners how they uncovered previously unreleased recordings, ten of which are featured in the *Exile on Main Street* re-release.

"It's extremely rare to get Mick, Keith and Charlie to sit for a radio interview together," said Don Was. "I'm really touched that they chose SIRIUS XM as the place to discuss the re-release and the new tracks in depth. It's gonna be a great hour!"

"The Rolling Stones' *Exile on Main Street* is recognized not only as one of the greatest albums in rock and roll history, but now as a timeless piece of art," said Scott Greenstein, President and Chief Content Officer, SIRIUS XM Radio. "SIRIUS XM is honored to have Mick Jagger, Keith Richards and Charlie Watts share their behind-the-scenes stories about the making of the album with our listeners."
