## SiriusXM to Air "NBC Nightly News with Brian Williams"

**On TODAY Show Radio, SiriusXM listeners nationwide to hear the day's top world and national news on their evening drive**

NEW YORK, Dec. 22, 2014 /PRNewswire/ -- SiriusXM announced today that an audiocast of *NBC Nightly News with Brian Williams*, the most watched evening newscast in America, will be available to SiriusXM subscribers nationwide beginning Monday, December 22, giving listeners across the country access to the audio feed of the nightly broadcast.

SiriusXM will air the *NBC Nightly News with Brian Williams* audiocast via satellite on SiriusXM TODAY Show Radio channel 108 at 7:00 pm ET.

Anchored by NBC News Managing Editor Brian Williams, *Nightly News* is the network's flagship news program. Every evening, Williams delivers the biggest and most consequential political, health and science news and the stories that impact those at home and around the world.

"SiriusXM is a terrific partner to be sure our loyal *Nightly News* audience never misses the news that matters most to them," said Alexandra Wallace, Senior Vice President of NBC News. "We're delighted to provide this audiocast to our busy viewers on the go and welcome new SiriusXM listeners."

"For ten years running, Brian Williams has been a trusted staple in the daily lives of millions of Americans as anchor of *NBC Nightly News*," said Dave Gorab, Vice President and General Manager of Talk Programming, SiriusXM. "Brian's personable style and commitment to breaking down today's complex stories makes *Nightly News* the perfect audio companion for SiriusXM listeners on their afternoon and evening drives."

NBCUniversal News Group and SiriusXM also broadcast dedicated channels, including CNBC, the global leader in financial news (Channel 112), and MSNBC, where listeners can find in-depth analysis of daily headlines and informed perspectives on the political news of the day (Channel 117).

*This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results may differ materially from the results anticipated in these forward-looking statements.*

*The following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our competitive position versus other radio and audio entertainment providers; our ability to attract and retain subscribers, which is uncertain; our dependence upon the auto industry; general economic conditions; failure of our satellites, which, in most cases, are not insured; the interruption or failure of our information and communications systems; the security of the personal information about our customers; royalties we pay for music rights, which increase over time; the unfavorable outcome of pending or future litigation; our failure to realize benefits of acquisitions; rapid technological and industry change; failure of third parties to perform; changes in consumer protection laws and their enforcement; failure to comply with FCC requirements and other government regulations; and our indebtedness. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2013, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date*

*of this communication.*
