Rob Gronkowski and Maria Menounos Get Together for SiriusXM Town Hall on July 17

Star Patriots tight end and longtime Patriots fan will sit down with a live audience at the SiriusXM studios in New York City

NEW YORK, July 16, 2015 /PRNewswire/ -- SiriusXM announced today that star New England Patriots tight end Rob Gronkowski and E! host/actress and longtime New England sports fan Maria Menounos will get together for the latest installment of SiriusXM's exclusive Town Hall series this Friday, July 17.

They will sit down with an intimate audience at the SiriusXM studios in New York City where Menounos will interview Gronkowski about his life and career on and off the field, and his new book, "It's Good to be Gronk," which was released this week. Menounos will then open it up to questions from the studio audience.

The SiriusXM Town Hall with Rob Gronkowski and Maria Menounos will air nationwide on Friday, July 17, at 6:00 pm ET on SiriusXM's Mad Dog Sports Radio (channel 85).

"SiriusXM listeners, Maria and I are going to help kick off your weekend with some Gronk style fun," said Rob Gronkowski.

"I'm a life-long sports fan, a die-hard New England Patriot/Tom Brady supporter and a SiriusXM subscriber since the day Howard joined," said Maria Menounos. "To interview the great Rob Gronkowski on the prestigious SiriusXM Town Hall platform is an opportunity I'm honored to receive!"

As one of the NFL's best players, and one of the most fun-loving and outgoing personalities in all of sports, Gronkowski is a superstar well beyond the gridiron. He was drafted by the Patriots in the second round (42nd overall) of the 2010 NFL Draft. In just his second season he set NFL records for receiving yards by a tight end in a single season (1,327) and touchdowns by a tight end in a single season (18). He also became the first tight end in NFL history with three straight 10-plus touchdown seasons (2010-12), and his 15 100-yard receiving games and 50 touchdown receptions are the most by a tight end in Patriots history. Gronkowski is a two-time First Team All-Pro and three-time Pro Bowl selection.

Off the field he has entertained millions with his appearances on late night talk shows, in TV commercials and more. His new book, "It's Good to be Gronk," from Jeter Publishing, was

released July 14.

Currently a Host at E!, Maria Menounos' achievements have thus far set industry milestones. As a journalist, she has interviewed every President since Clinton, reported for Nightly News and Today, starred in films and TV shows and is a two time New York Times Best Selling Author of her 'EveryGirl's Guide to' book series. Menounos and partner Keven Undergaro are co-founders of AfterBuzz TV.

The event is part of SiriusXM's "Town Hall" series, featuring iconic entertainers and figures sitting down with studio audiences of SiriusXM listeners. Previous SiriusXM "Town Hall" specials have featured Bruce Springsteen, Tom Petty, Eminem, Katy Perry, Willie Nelson, Alicia Keys, KISS, Pele, Coldplay, Roger Goodell, Taylor Swift, Mike Krzyzewski, Usher and many others. After the broadcast, "SiriusXM's Town Hall with Rob Gronkowski and Maria Menounos" will be available on SiriusXM On Demand.

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results to differ materially from the

anticipated results or other expectations expressed in the forward-looking statements: our competitive position versus other radio and audio service providers; our ability to attract and retain subscribers, which is uncertain; our dependence upon the auto industry; general economic conditions; changes in consumer protection laws and their enforcement; the security of the personal information about our customers; other existing or future government laws and regulations could harm our business; failure of our satellites would significantly damage our business; the interruption or failure of our information technology and communications systems; royalties we pay for music rights, which increase over time; the unfavorable outcome of pending or future litigation; our failure to realize benefits of acquisitions or other strategic initiatives; rapid technological and industry changes; failure of third parties to perform; failure to comply with FCC requirements; modifications to our business plans; our indebtedness; and our principal stockholder has significant influence over our management and over actions requiring stockholder approval and its interests may differ from interests of other holders of our common stock. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2014, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
