NEW YORK, March 29, 2016 /PRNewswire/ -- SiriusXM announced today that Kenny Chesney, country music superstar and the man *The Wall Street Journal* called "The King of the Road," will bring his No Shoes Radio channel exclusively to SiriusXM.

No Shoes Radio, Kenny Chesney's exclusive SiriusXM channel, curated by Chesney himself, will feature music from Chesney, from his favorite artists across multiple styles of music, rare live performances and special coverage of backstage happenings at Chesney's concerts.

To celebrate the SiriusXM launch of No Shoes Radio, Kenny Chesney will perform a special, private concert for SiriusXM at the legendary Stone Pony in Asbury Park, NJ on May 12. The concert will air live and exclusively on Chesney's No Shoes Radio.

"We've spent eight years building No Shoes Radio," says the 8-time Academy of Country Music and Country Music Association Entertainer of the Year. To partner with SiriusXM as part of their Artist Driven platform of stations means No Shoes Radio will be able to reach even more people who love songs and music the same way I do. That's awesome."

His massive fan base will love having unprecedented access to Kenny's favorite music and a variety of things only he has access to. We are also thrilled to be expanding SiriusXM's unmatched offering of country music to our nation of listeners," said Scott Greenstein, President and Chief Content Officer, SiriusXM.
