"'Let's Talk Off Camera' is back for a third season of reckless, unhinged, and unscripted off-camera real and honest conversations," said Kelly Ripa. "What better way to present season three than to partner with the king of reality, Andy Cohen. Plus, get ready commuters, this season we're bringing you live episodes on SiriusXM's Radio Andy. So hold on to your children. Buckle your seatbelts. Secure your hot beverages, and let us handle the rest. Well, not the driving part."

"It's a BIG deal for Radio Andy to showcase a personality as brilliant as Kelly over our airwaves," said Andy Cohen. "She is as electric, outspoken, hilarious, and relatable as ever,

and I'm joyous that her new deal includes live shows for us."
