## Amtech Prices Underwritten Public Offering of Common Stock

TEMPE, Ariz., Aug. 18, 2017 /PRNewswire/ -- Amtech Systems, Inc. (NASDAQ: ASYS), a global supplier of production equipment and related supplies for the solar, semiconductor, and LED markets today announced the pricing of an underwritten public offering of 1,055,000 shares of its common stock at a price of \$9.50 per share. The company has also granted to the underwriter a 30-day option to acquire an additional 158,250 shares to cover overallotments in connection with the offering. After the underwriting discount and estimated offering expenses payable by the company, the company expects to receive net proceeds of approximately \$9.3 million, assuming no exercise of the overallotment option. The offering is expected to close on August 23, 2017, subject to customary closing conditions.

Roth Capital Partners is acting as sole manager for the offering.

The Company plans to use the net proceeds of the offering for general corporate purposes, which may include working capital, capital expenditures and potential acquisitions.

The shares described above are being offered by Amtech Systems, Inc. pursuant to a registration statement previously filed with and subsequently declared effective by the Securities and Exchange Commission. A prospectus supplement relating to the offering will be filed with the SEC and will be available on the SEC's website at <http://www.sec.gov>.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy any of the securities described herein, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.
