Amtech Systems to Announce Second Quarter Financial Results on May 9, 2019

TEMPE, Ariz., April 29, 2019 /PRNewswire/ -- Amtech Systems, Inc. (NASDAQ: ASYS), a manufacturer of capital equipment, including thermal processing and wafer handling automation, and related consumables used in fabricating semiconductor devices, light-emitting diodes (LEDs), silicon carbide (SiC) and silicon power chips, today announced that it will host a conference call to discuss the Company's financial results for the second quarter ended March 31, 2019 on Thursday, May 9, 2019 at 5:00 pm ET.

Executive Officers will discuss financial results and take questions following the prepared remarks.

The dial-in details for the live conference are as follows:

- USA toll free: 1-844-868-9329
- Canada toll free: 1-866-605-3852
- International: 1-412-317-6703

A live webcast of the conference call will be available in the investor relations section of the Company's website at: <http://www.amtechsystems.com>

A telephone replay will be available 1 hour after the end of the conference through May 16, 2019 at 9:00am ET. The dial-in details for the replay are as follows:

- USA toll free: 1-877-344-7529
- International: 1-412-317-0088
- Conference code: 10130710

About Amtech Systems, Inc.

Amtech Systems, Inc. is a global supplier of advanced thermal processing and polishing equipment and related consumables to the semiconductor / electronics, power IC businesses, and advanced lighting manufacturing markets. Amtech's equipment includes diffusion systems, solder reflow systems, wafer handling automation, and polishing equipment and related consumables for surface preparation of various materials, including silicon carbide ("SiC"), sapphire and silicon. The Company's wafer handling, thermal processing, polishing and consumable products currently address the diffusion and deposition steps used in the fabrication of semiconductors, printed circuit boards, semiconductor packaging, MEMS, and advanced lighting, including the polishing of newly sliced sapphire and silicon wafers. Amtech's products are recognized under the leading brand names BTU International, Bruce Technologies™, PR Hoffman™, and R2D Automation™.
