Amtech Systems to Participate in the 37th Annual Roth Conference

TEMPE, Ariz.--(BUSINESS WIRE)-- Amtech Systems, Inc. ("Amtech") (NASDAQ: ASYS), a manufacturer of equipment and consumables for semiconductor fabrication and packaging, announces that Robert Daigle, Chief Executive Officer, and Wade Jenke, Chief Financial Officer, will participate in the 37th Annual Roth Conference in Dana Point, California, on Monday, March 17, 2025.

Management will be available for one-on-one and small group meetings with institutional investors on Monday, March 17, 2025. For more information about the conference or to request a meeting, please contact your Roth sales representative.

About Amtech Systems, Inc.

Amtech Systems, Inc. is a leading, global manufacturer of equipment and consumables for semiconductor fabrication and packaging. We sell process equipment and services used in the fabrication of semiconductor devices, such as silicon carbide (SiC), silicon power, electronic assemblies and modules to semiconductor device and module manufacturers worldwide, particularly in Asia, North America and Europe. Our strategic focus is on growth opportunities which leverage our strengths in thermal and substrate processing. Amtech's products are recognized under the leading brand names BTU International, Entrepix, Inc., PR Hoffman™ and Intersurface Dynamics, Inc.
