

KORE CEO and Biz Development Executive to Speak at Connected Plus Toronto

CEO Alex Brisbourne to Share Insights on how to Monetize the IoT

TORONTO--(BUSINESS WIRE)-- <u>KORE</u>, the people powering the Internet of Things (IoT) innovations and opportunities, today announced that CEO Alex Brisbourne and Paulo Silva, director, business development, Canada, will be speaking in two sessions, respectively, at <u>Connected Plus Toronto 2016</u>. In addition, KORE will be demonstrating its specialized IoT and Machine to Machine (M2M) services at booth #201 during the show, including a PRiSM*Pro* demo on October 12 from 11:30 A.M. to 12 P.M. in the Solutions Lab.

During his session, "Winning Business Models: Industrial," KORE CEO Alex Brisbourne will discuss success stories that demonstrate what a winning business model looks like for Industrial IoT. The session will include real world examples and insights on best practices for monetizing the IoT.

- What: The "Winning Business Models: Industrial" session
- Who: Alex Brisbourne, CEO, KORE
- When: Wednesday, October 12, 2016 from 2:30 P.M. to 3 P.M. ET
- Where: Connected Plus Toronto 2016 Arcadian Court Loft 4

During the "The Interoperability Challenges, Standards And Protocols" panel, KORE's Paulo Silva, director, business development, Canada, and his fellow panelists will discuss interoperability and the progress that has been made thus far in the area. In addition, the panelists will navigate the standards and protocols landscape and explain how you can play a role in the movement towards interoperability between vendors, devices and platforms.
