Paysafe Partners With Hard Rock Online Casino New Jersey for Payment Processing Solutions

HOUSTON--(BUSINESS WIRE)-- [Paysafe](#) (NYSE: PSFE), a leading specialized payments platform, today announced a partnership to provide online credit and debit card payment processing for the [Hard Rock Online Casino New Jersey](#) mobile app.

Through Hard Rock Online Casino New Jersey's streamlined integration with Paysafe's own best-in-breed payment gateway, the iGaming payments specialist with 20+ years' global experience is now processing New Jersey players' card deposits. Whether a bettor wants to wager on major sporting events or enjoy the online casino's suite of branded and original slots, table games and live dealer titles, they can fund their player account in seconds using their credit or debit card, with the transaction processed seamlessly and securely by Paysafe.

The partnership covers the complete payments journey for New Jersey players. Through Paysafe's connection to third-party warranty ACH services, Hard Rock Online Casino New Jersey customers can get real-time access to their winnings through their registered bank account.

"We're thrilled with the product performance and incredible service that Paysafe has provided for the Hard Rock Online Casino New Jersey mobile app," said Matt Primeaux, Executive Managing Director and President of Hard Rock Digital. "Paysafe has been a great partner and we continue to explore ways to further incorporate their payment solutions into Hard Rock Digital's suite of products as we expand into new markets."

Zak Cutler, CEO of North America iGaming at Paysafe, commented: "We're proud to partner with Hard Rock Digital to facilitate online payments for its iGaming and sports-betting brand as well as its customers in New Jersey. We hope to continue to grow our relationship with Hard Rock and its brands in the future."
