NeoGenomics Raises Revenue Guidance to \$25 Million and EPS Guidance to \$0.01 - \$0.02 per share for Quarter 4, 2014

Company Now Projecting 36% Year-Over-Year Revenue Growth in Quarter 4

FT. MYERS, Fla., Jan. 22, 2015 /PRNewswire/ -- NeoGenomics, Inc. (NASDAQ: NEO), a leading provider of cancer-focused genetic testing services, announced today that it was raising its previously issued revenue and earnings-per-share guidance for the fourth quarter of 2014. The Company now expects revenue of approximately \$25 million and earnings per share of approximately \$0.01 - \$0.02 for the fourth quarter. Previously, the Company had issued revenue guidance of \$23.0 - \$24.5 million and earnings-per-share guidance of \$0.00 - \$0.01 per share.

Douglas VanOort, the Company's Chairman and CEO, commented, "On a consolidated basis, including the results of our newly acquired PathLogic business, we are expecting approximately 36% year-over-year revenue growth in the fourth quarter. Approximately 23% of this growth is coming from our core NeoGenomics business and the remainder from PathLogic. The improvement in earnings guidance reflects continued strength in our underlying business. We look forward to sharing our final audited fourth quarter financial results and to reviewing key growth initiatives as part of our Quarter 4 Earnings Release and Conference Call, both of which are scheduled for February 24, 2015."

The Company reserves the right to adjust this guidance at any time based on the ongoing execution of its business plan. Current and prospective investors are encouraged to perform their own due diligence before buying or selling any of the Company's securities, and are reminded that the foregoing estimates should not be construed as a guarantee of future performance.
