RENNOVA HEALTH, INC. ANNOUNCES THE OPENING OF ITS NONRESIDENTIAL OFFICE-BASED OPIATE TREATMENT FACILITY

WEST PALM BEACH, Fla., Nov. 02, 2023 (GLOBE NEWSWIRE) -- Rennova Health, Inc. (OTC: RNVA) is pleased to announce that its behavioral health services subsidiary, Myrtle Recovery Centers, Inc. ("Myrtle"), has opened a Nonresidential Office-Based Opiate Treatment Facility ("OBOT"). The facility began accepting patients on November 1, 2023 and is located adjacent to Myrtle's alcohol and drug treatment facility in Oneida, Tennessee.

"We are delighted to further develop our Myrtle strategy," said Robert Merritt, the Chief Executive Officer of Myrtle Recovery Centers, Inc. "The addition of this licensed OBOT service to our recently opened behavioral health facility for alcohol and drug treatment provides an invaluable service to the rural communities we serve, and is consistent with our plans to provide the best possible treatment at our facilities. In addition, the opening of the OBOT supplements the existing residential rehabilitation and detoxification services offered at the facility."

"We are excited to see the continued development of Myrtle," stated Seamus Lagan, Chief Executive Officer of Rennova Health, Inc. "Our recently opened behavioral health facility has been well received in the community and adding complementary services is consistent with our business model to increase our current rural healthcare services offerings. This new OBOT is an excellent use of available space at our Big South Fork Medical Center campus and is expected to increase net revenues and profits for the Company. We continue to consider our options to expand our Myrtle-operated businesses."

Forward-Looking Statements

This press release includes "forward-looking statements" within the meaning of the safe harbor provisions of the United States Private Securities Litigation Reform Act of 1995.

Actual results may differ from expectations and, consequently, you should not rely on these forward-looking statements as predictions of future events. Words such as "expect," "estimate," "project," "budget," "forecast," "anticipate," "intend," "plan," "may," "will," "could," "should," "believes," "predicts," "potential," "continue," and similar expressions are intended to identify such forward-looking statements. These forward-looking statements involve significant risks and uncertainties that could cause the actual results to differ materially from the expected results. Additional information concerning these and other risk factors are contained in the Company's most recent filings with the Securities and Exchange Commission. The Company cautions readers not to place undue reliance upon any forward-looking statements, which speak only as of the date made. The Company does not undertake or accept any obligation or undertaking to release publicly any updates or revisions to any forward-looking statements to reflect any change in their expectations or any change in events, conditions or circumstances on which any such statement is based, except as required by law.
