Herbalife Ltd. Announces Record Second Quarter 2011 Results and Raises FY'11 Guidance

- Second quarter net sales growth of 27.7 percent on volume growth of 17.1 percent.
- Second quarter diluted EPS¹ of \$0.88 increased 35.4 percent compared to the \$0.65 diluted EPS from prior year period.
- Raises FY'11 EPS guidance to a range of \$2.97 to \$3.07.
- Board of directors approved a quarterly dividend of \$0.20 per share.

LOS ANGELES--(BUSINESS WIRE)-- Herbalife Ltd. (NYSE: HLF) today reported that second quarter net sales increased 27.7 percent and local currency net sales increased 19.9 percent compared to the same time period in 2010. Net income for the quarter of \$111.2 million, or \$0.88 per diluted share compares to 2010 second quarter net income and EPS of \$82.2 million and \$0.65, respectively.

"We believe that we are just getting started," said Michael O. Johnson, the company's chairman and CEO. "Eight consecutive quarters of growth in the average number of sales leaders ordering illustrates the engagement of the distributors and the strong foundation being built as Herbalife helps consumers tackle the global issues of obesity."

For the quarter ended June 30, 2011, the company generated cash flow from operations of \$142.7 million, an increase of 71.5 percent compared to the second quarter 2010, paid dividends of \$23.9 million, invested \$16.1 million in capital expenditures and repurchased \$98.8 million in common shares related to our share repurchase program.

FORWARD-LOOKING STATEMENTS

This document contains “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. All statements other than statements of historical fact are “forward-looking statements” for purposes of federal and state securities laws, including any projections of earnings, revenue or other financial items; any statements of the plans, strategies and objectives of management for future operations; any statements concerning proposed new services or developments; any statements regarding future economic conditions or performance; any statements of belief; and any statements of assumptions underlying any of the foregoing. Forward-looking statements may include the words “may,” “will,” “estimate,” “intend,” “continue,” “believe,” “expect” or “anticipate” and any other similar words.

Although we believe that the expectations reflected in any of our forward-looking statements are reasonable, actual results could differ materially from those projected or assumed in any of our forward-looking statements. Our future financial condition and results of operations, as well as any forward-looking statements, are subject to change and to inherent risks and uncertainties, such as those disclosed or incorporated by reference in our filings with the Securities and Exchange Commission. Important factors that could cause our actual results, performance and achievements, or industry results to differ materially from estimates or projections contained in our forward-looking statements include, among others, the following:

- any collateral impact resulting from the ongoing worldwide financial “crisis,” including the availability of liquidity to us, our customers and our suppliers or the willingness of our customers to purchase products in a recessionary economic environment;
- our relationship with, and our ability to influence the actions of, our distributors;
- improper action by our employees or distributors in violation of applicable law;
- adverse publicity associated with our products or network marketing organization;

- changing consumer preferences and demands;
- our reliance upon, or the loss or departure of any member of, our senior management team which could negatively impact our distributor relations and operating results;
- the competitive nature of our business;
- regulatory matters governing our products, including potential governmental or regulatory actions concerning the safety or efficacy of our products and network marketing program, including the direct selling market in which we operate;
- legal challenges to our network marketing program;
- risks associated with operating internationally and the effect of economic factors, including foreign exchange, inflation, disruptions or conflicts with our third party importers, pricing and currency devaluation risks, especially in countries such as Venezuela;
- uncertainties relating to the application of transfer pricing, duties, value added taxes, and other tax regulations, and changes thereto;
- uncertainties relating to interpretation and enforcement of recently enacted legislation in China governing direct selling;
- our inability to obtain the necessary licenses to expand our direct selling business in China;
- adverse changes in the Chinese economy, Chinese legal system or Chinese governmental policies;
- our dependence on increased penetration of existing markets;
- contractual limitations on our ability to expand our business;
- our reliance on our information technology infrastructure and outside manufacturers;
- the sufficiency of trademarks and other intellectual property rights;
- product concentration;
- changes in tax laws, treaties or regulations, or their interpretation;
- taxation relating to our distributors;
- product liability claims; and
- whether we will purchase any of our shares in the open markets or otherwise.

We do not undertake any obligation to update or release any revisions to any forward-looking statement or to report any events or circumstances after the date hereof or to reflect the occurrence of unanticipated events, except as required by law.
