

ExxonMobil Contributes \$350,000 to Imelda Relief in Beaumont, Greater Houston

- United Way of Beaumont and North Jefferson County to receive \$200,000
- American Red Cross to receive \$150,000 for relief in the greater Houston area

IRVING, Texas--(BUSINESS WIRE)-- [Exxon Mobil Corporation](#) (NYSE:XOM) said today that it will donate \$350,000 to the United Way and the American Red Cross to support local flooding relief assistance associated with tropical storm Imelda in the Beaumont and greater Houston areas in Texas.

"Our heartfelt sympathies are with our colleagues, friends and neighbors in the areas impacted by flooding from the storm," said Darren W. Woods, chairman and chief executive officer of Exxon Mobil Corporation. "We hope that our assistance will help provide some relief during this time of need."

ExxonMobil is contributing \$200,000 to the [United Way of Beaumont and North Jefferson County](#), which is working with 20 nonprofit agencies in the area to provide food, shelter, counseling and other assistance to people affected by the storm. ExxonMobil also is directing \$150,000 to the [Greater Houston Chapter of the Red Cross](#), which is providing shelter, meals, relief supplies and comfort to impacted residents.

ExxonMobil employs more than 2,400 people in the Beaumont area, where it has operated for more than 110 years. With current expansion efforts, more than 4,000 contract workers are supporting ExxonMobil's operations in the area. More than 11,000 ExxonMobil employees live and work in the greater Houston area.

About ExxonMobil

ExxonMobil, the largest publicly traded international oil and gas company, uses technology and innovation to help meet the world's growing energy needs. ExxonMobil holds an industry-leading inventory of resources, is one of the largest refiners and marketers of petroleum products, and its chemical company is one of the largest in the world.
