SiriusXM to Offer Live Coverage of California Chrome's Attempt at Triple Crown at Belmont Stakes June 7

California Chrome will attempt to become 12th Triple Crown winner in history, first since 1978

SiriusXM listeners get full day of live coverage on race day, plus daily news and analysis leading up to it

NEW YORK, May 29, 2014 /PRNewswire/ -- [SiriusXM](#) will offer listeners nationwide comprehensive coverage of the 2014 Belmont Stakes on Saturday, June 7, as Kentucky Derby and Preakness winner California Chrome attempts to become thoroughbred racing's first Triple Crown winner in more than 35 years.

SiriusXM listeners will hear the live race call (post time: approx. 6:52 pm ET), as well as a full day of coverage leading up to the race, on Sirius channel 93 and XM channel 208 on satellite radios, and on channel 961 on the [SiriusXM Internet Radio](#) App and online at [SiriusXM.com](#).

After winning the Kentucky Derby by 1-3/4 lengths on May 3, and the Preakness Stakes by 1-1/2 lengths on May 17, California Chrome will attempt to become just the 12th Triple Crown winner in thoroughbred racing history, and the first since Affirmed won the elusive trifecta in 1978. The three-year-old colt and jockey Victor Espinoza are on a six-race winning streak heading into Belmont.

"Winning the Triple Crown is one of the rarest achievements in all of sports, and when the possibility of it happening presents itself the world takes notice," said Steve Cohen, SiriusXM's SVP of Sports Programming. "With the anticipation building for California Chrome's run at the Belmont, SiriusXM will provide comprehensive coverage leading up to race day, as well as the live wire to wire call from the track. Our subscribers will be able to follow this event every step of the way."

SiriusXM's race day coverage begins on June 7 at 10:00 am ET with a special edition of *Down The Stretch*, hosted by acclaimed track announcer Dave Johnson and Bill Finley. Johnson and Finley will set the stage for the day, providing up-to-the-moment news and analysis as well as previews of all the races being run that day at Belmont.

SiriusXM will carry Horse Racing Radio Network's broadcast of the Belmont Stakes as well as the day's undercard races, starting at 2:00 pm ET. In addition to the main event, coverage will feature five other Grade I stakes races including the Metropolitan Mile, Knobb Creek Manhattan handicap and others.

Between now and race day, SiriusXM will provide listeners with daily horse racing news and analysis on *At The Races with Steve Byk* (weekdays at 10:00 am ET) featuring daily interviews with handicapping experts and trainers and an in-depth look at the field.

SiriusXM offers subscribers access to live race broadcasts – including all three races of the Triple Crown – plus horse racing talk throughout the year. For more info visit www.SiriusXM.com.

This communication contains "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Such statements include, but are not limited to, statements about future financial and operating results, our plans, objectives, expectations and intentions with respect to future operations, products and services; and other statements identified by words such as "will likely result," "are expected to," "will continue," "is anticipated," "estimated," "believe," "intend," "plan," "projection," "outlook" or words of similar meaning. Such forward-looking statements are based upon the current beliefs and expectations of our management and are inherently subject to significant business, economic and competitive uncertainties and contingencies, many of which are difficult to predict and generally beyond our control. Actual results may differ materially from the results anticipated in these forward-looking statements.

The following factors, among others, could cause actual results to differ materially from the anticipated results or other expectations expressed in the forward-looking statements: our competitive position versus other radio and audio entertainment providers; our ability to attract and retain subscribers, which is uncertain; our dependence upon the auto industry; general economic conditions; failure of our satellites, which, in most cases, are not insured; the interruption or failure of our information and communications systems; the security of the personal information about our customers; royalties we pay for music rights, which increase

over time; the unfavorable outcome of pending or future litigation; our failure to realize benefits of acquisitions; rapid technological and industry change; failure of third parties to perform; changes in consumer protection laws and their enforcement; failure to comply with FCC requirements and other government regulations; and our indebtedness. Additional factors that could cause our results to differ materially from those described in the forward-looking statements can be found in our Annual Report on Form 10-K for the year ended December 31, 2013, which is filed with the Securities and Exchange Commission (the "SEC") and available at the SEC's Internet site (<http://www.sec.gov>). The information set forth herein speaks only as of the date hereof, and we disclaim any intention or obligation to update any forward looking statements as a result of developments occurring after the date of this communication.
