NetSol Technologies to Present at Borse Dubai International Investor Conference New York 2009

CALABASAS, CA -- (MARKET WIRE) -- 10/26/09 -- NetSol Technologies, Inc. "NetSol" (NASDAQ: NTWK) (NASDAQ DUBAI: NTWK), a U.S. corporation providing global business services and enterprise application solutions to private and public sector organizations worldwide, today announced that Najeeb Ghauri, NetSol Chairman and Chief Executive Officer, accompanied by senior management from Asia and Europe, will present at the Borse Dubai International Investor Conference New York 2009 sponsored by Dubai Financial Market and Nasdaq Dubai.

The conference takes place over two days, November 2-3, 2009, at the New York Palace Hotel in cooperation with Citi Global Markets (Citi) and Goldman Sachs. NetSol management will meet with investors and analysts to review the NetSol Financial Suite (NFS) and the company's comprehensive portfolio of global business services as well as management's international growth strategy and recently announced customer wins. NetSol Technologies was the first U.S. headquartered company to dual-list on the Nasdaq Dubai stock exchange.

About NetSol Technologies, Inc.

NetSol Technologies, Inc. (NASDAQ: NTWK) (NASDAQ DUBAI: NTWK) is a worldwide provider of global business services and enterprise application solutions. Since its inception in 1995, NetSol has used its BestShoring(TM) practices and highly experienced resources in analysis, development, quality assurance, and implementation to deliver high-quality, cost-effective solutions. Specialized by industry, these product and services offerings include credit and finance portfolio management systems, hospital/healthcare information management systems (HIMS), SAP consulting and services, custom development, systems integration, and technical services for the global Financial, Healthcare, Insurance, Energy, and Technology markets. NetSol's commitment to quality is demonstrated by its achievement of the ISO 9001, ISO 27001, and SEI (Software Engineering Institute) CMMI (Capability Maturity Model) Maturity Level 5 assessments, a distinction shared by fewer than 100 companies worldwide. NetSol Technologies' clients include Fortune 500 manufacturers, global automakers, financial institutions, utilities, technology providers, and government agencies. Headquartered in Emeryville, California, NetSol Technologies has operations and offices in Adelaide, Bangkok, Beijing, Lahore, London, and San Pedro Sula.

NetSol Technologies, Inc. Forward-looking Statement

This press release may contain forward looking statements relating to the development of the Company's products and services and future operation results, including statements regarding the Company that are subject to certain risks and uncertainties that could cause actual results to differ materially from those projected. The words "believe," "expect," "anticipate," "intend," variations of such words, and similar expressions, identify forward looking statements, but their absence does not mean that the statement is not forward looking. These statements are not guarantees of future performance and are subject to certain risks, uncertainties, and assumptions that are difficult to predict. Factors that could affect the Company's actual results include the progress and costs of the development of products and services and the timing of the market acceptance.
