With a rich history of innovation, ethical business practices and a focus on sustainability, NETSOL is dedicated to empowering businesses worldwide, securing its position as the trusted partner for leading firms around the globe.

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 regarding the company's products and services, expectations for future operations, and other statements that are not historical facts. These forward-looking statements may be identified by terminology such as "expects," "anticipates," "believes," "intends," "plans," "projects," "targets," and similar expressions. These statements are not guarantees of future performance and are subject to a number of risks, uncertainties, and assumptions that are difficult to predict. Factors that could cause actual results to differ materially include, but are not limited to, the timing of customer go-lives and contract renewals, the rate of adoption of AI-enabled product capabilities, foreign currency volatility, and other factors discussed in NETSOL's most recent Annual Report on Form 10-K and subsequent Quarterly Reports on Form 10-Q filed with the U.S. Securities and Exchange Commission. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date hereof. NETSOL undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events, or otherwise.
