SMTC to Participate in B. Riley FBR's 20th Annual Institutional Investor Conference on May 22

Group Presentation Slated for 11:30 a.m. Pacific Time

TORONTO, May 09, 2019 (GLOBE NEWSWIRE) -- SMTC Corporation (Nasdaq:[SMTX](#)), a global electronics manufacturing services provider, today announced that the company will participate in the B. Riley FBR's 20th Annual Institutional Investor Conference on May 22 at the Beverly Hilton Hotel in Beverly Hills, California.

Ed Smith, President and Chief Executive Officer of SMTC and Steve Waszak, the company's Chief Financial Officer will be available to provide an update on SMTC and its current business opportunities, with a group presentation slated for 11:30 a.m. Pacific Time, and in one-on-one meetings throughout the day. Anyone wishing to schedule a meeting is encouraged to contact their B. Riley/FBR representative or call Peter Seltzberg, of Darrow Associates, for more information.

Webcast information for the company's May 22 presentation at 11:30 a.m. Pacific Time is available on the IR Calendar page on SMTC Corporation's website at <https://ir.smtc.com/ir-calendar>.

About SMTC Corporation

SMTC Corporation was founded in 1985 and acquired MC Assembly Holdings, Inc. in November 2018. Following this acquisition, SMTC has more than 50 manufacturing and assembly lines in United States, China and Mexico which creates a powerful low-to-medium volume, high-mix, end-to-end global EMS provider. With local support and expanded manufacturing capabilities globally, including fully integrated contract manufacturing services with a focus on global original equipment manufacturers (OEMs) and emerging technology companies, including those in the Defense and Aerospace, Industrial, Power and Clean Technology, Medical and Safety, Retail and Payment Systems, Semiconductors and Telecom, Networking and Communications; and Test and Measurement industries. As a mid-size provider of end-to-end electronics manufacturing services (EMS), SMTC provides printed circuit boards assemblies (PCB) production, systems integration and comprehensive testing services, enclosure fabrication, as well as product design, sustaining engineering and supply chain management services. SMTC services extend over the entire electronic product life cycle from the development and introduction of new products through to the growth, maturity and end-of-life phases.

SMTC is a public company incorporated in Delaware with its shares traded on the Nasdaq

National Market System under the symbol SMTX and was added to the Russell Microcap® Index in 2018. For further information on SMTC Corporation, please visit our website at <https://www.smtc.com/>.
