The 2022 “VMAs” Rocket to the Metaverse

For the first time ever, the iconic Video Music Awards will literally be out of this world with The VMA Experience on Roblox designed by Super League

SANTA MONICA, Calif., Aug. 12, 2022 (GLOBE NEWSWIRE) -- [Super League Gaming \(Nasdaq: SLGG\)](#), a global leader in metaverse gaming, and [MTV](#) announced today the exciting lift-off of [The Video Music Awards Experience on Roblox](#). As a companion to the premiere of the *Best Metaverse Performance* category at the VMAs, fans can launch into the custom iconic Moon Person immersive experience, complete with a virtual red carpet, three music and dance themed activities, exclusive in-experience rewards, promotional billboards and more. And in another first, visitors have the **exclusive opportunity to vote within the experience for the first Best Metaverse Performance award winner**, with nominees Ariana Grande, BLACKPINK, BTS, Charli XCX, Justin Bieber, and Twenty One Pilots.

The 2022 “VMAs” will return to celebrate the biggest names in music on Sunday, August 28th at 8PM ET/PT with show-stopping surprises, epic performances and a fan-filled audience LIVE from New Jersey’s famed Prudential Center and airing across MTV’s global footprint of linear and digital platforms in 170+ countries, reaching 422 million households in nearly 30 different languages.

The innovative award show companion virtual world blasts off today at light speed inside Roblox, a global online platform connecting millions of people through immersive shared experiences, and runs through September 3rd. The custom experience designed and produced by Super League features multiple interactive competitions and activities, including **Tap That Dance**, **Race to the VMAs**, and **VMA Studio Session**. The futuristic space-themed environment also features a red carpet with a custom step and repeat backdrop for metaverse photo opps and various locations where community members will meet five otherworldly NPCs (non-playable characters), including a pop star, DJ, and a music producer.

“It is inspiring to partner with a brand that has been pioneering music and entertainment experiences for decades to deliver yet another level of innovation to fans,” says Ann Hand, CEO of Super League. “Super League and MTV are on a roll in the metaverse, this time on one of the biggest metaverse platforms in the world.”

"The MTV Video Music Awards has a long history of social and digital innovations, as we always look to meet our fans where they are," said Amy Campbell, Chief Marketing Officer, Paramount Media Networks and MTV Entertainment Studios. "We are thrilled to work with our friends at Super League Gaming for the VMA Experience on Roblox, which will give our fans an exclusive opportunity to experience the VMAs like never before - in the metaverse."

As visitors enter the experience, they'll be surrounded by glitz, glamour, paparazzi and excitement that make the VMAs one of the most unforgettable nights of the year, and feel like they are part of this iconic celebration of music - wherever they are in this world - and beyond. From August 12th until the day of the show, new content, experiences, and opportunities to vote will be introduced, giving users plenty of reasons to come back often, in the lead up to the big night.
