# Air Belgium Chooses Anuvu's Iris for Inflight Entertainment

*The three-year partnership will deliver premium entertainment to passengers*

**Los Angeles, October 27, 2021** – Anuvu, the leading provider of high-speed connectivity and entertainment solutions for demanding worldwide mobility markets, today announces Air Belgium as its latest inflight entertainment (IFE) customer.

Air Belgium, a scheduled and charter carrier, has confirmed a three-year contract to incorporate Anuvu's Iris platform, a cost-effective and convenient IFE subscription service for airlines, into its inflight entertainment system. Iris offers a wide variety of premium content, including bespoke customer solutions, to support airline budgets and passenger experiences, while meeting travelers' high expectations for onboard entertainment.

Estibaliz Asiain, Anuvu's SVP, Commercial Media & Content says: "Air Belgium's main priority is to provide its customers with efficient, modern and high-quality services. Iris enables the airline to choose from a variety of core and add-on channels curated to suit global tastes and budgets while delivering a superior passenger experience.

"In addition to Iris' core channels, we will be providing the airline with French movies and

destination documentaries from Belgium to Curaçao, Guadeloupe and Martinique and will soon be adding Mauritius and Reunion islands. We look forward to working with Air Belgium over the next three years and helping the airline extend its IFE offering to its passengers.”

Iris is a pay-monthly service for aviation clients that brings the best movies and entertainment onboard. It is an efficient and flexible solution that enables airlines to have a clear fixed monthly pricing structure, inclusive to airlines of all sizes.
