BOLINGBROOK, III.--(BUSINESS WIRE)-- Ulta Beauty (NASDAQ:ULTA) today announced financial results for the thirteen week period ended April 30, 2016 ("First Quarter"), which compares to the same period ended May 2, 2015.

"We are off to a phenomenal start to the year, delivering excellent top and bottom line growth in the first quarter," said Mary Dillon, Chief Executive Officer. "Several positive factors are coming together to drive the momentum in our business, exemplified by the best comparable sales growth in our history as a public company. These include healthy consumer demand in the beauty category, our unique format and offering which are supporting sustained share gains, and effective collaboration across the enterprise to ensure strong execution of our growth strategies."

- Comparable sales (sales for stores open at least 14 months and e-commerce sales) increased 15.2% compared to an increase of 11.4% in the first quarter of fiscal 2015. The 15.2% same store sales increase was driven by 11.0% growth in traffic and 4.2% growth in average ticket;

Average inventory per store increased 14.5%, compared to the first quarter of fiscal 2015. The increase in inventory was driven by 89 net new stores, the opening of the Company's fourth distribution center in Greenwood, Indiana, investments in inventory to ensure high in-stock levels to support sales growth, and incremental inventory for new brands and in-store prestige brand boutiques.

The final number of shares delivered upon settlement of the agreement will be determined with reference to the average price of the Company's common stock over the term of the agreement. As of April 30, 2016, approximately \$219 million remained available under the \$425 million share repurchase program announced in March 2016.
