# **Microchip Technology Announces Additional Stock Repurchase Authorization**

CHANDLER, Ariz.--(BUSINESS WIRE)--

Microchip Technology Incorporated (NASDAQ: MCHP), a leading provider of microcontroller and analog semiconductors, today announced that its Board of Directors has authorized the Company to purchase up to 10 million shares of its Common Stock in the open market or in privately negotiated transactions. The Board of Directors previously authorized the Company, on October 25, 2006, to purchase up to 10 million shares of its Common Stock. As of December 10, 2007, approximately 4.3 million shares remained available for purchase under the previously announced program. The timing and amount of future purchases will depend upon market conditions, interest rates, and corporate considerations.
