# Prologis Acquires Partners' Interest in Prologis Institutional Alliance Fund II

## Brings 4.9 Million Square Foot United States Portfolio onto Balance Sheet

SAN FRANCISCO, July 1, 2013 /PRNewswire/ -- Prologis, Inc. (NYSE: PLD), the leading global owner, operator and developer of industrial real estate, today announced it has purchased its partners' 72 percent interest in Prologis Institutional Alliance Fund II and brought the entire 4.9 million square foot portfolio (455,000 square meters) onto its balance sheet. Prologis previously owned 28 percent of Alliance Fund II which launched in June 2001 and had reached the end of the venture's term.

The portfolio includes 52 facilities strategically located in seven global infill markets across the United States. The majority of properties are in Southern California, the San Francisco Bay Area and New Jersey.

"This acquisition, approved by 100% of our partners, afforded them an expedient and cost-efficient exit from the fund at market value," said Hamid R. Moghadam, chairman and CEO, Prologis. "April's follow-on offering provided us with the capital necessary to complete this strategic acquisition for our shareholders."

### About Prologis

Prologis, Inc., is the leading owner, operator and developer of industrial real estate, focused on global and regional markets across the Americas, Europe and Asia. As of March 31, 2013, Prologis owned or had investments in, on a consolidated basis or through unconsolidated joint ventures, properties and development projects expected to total approximately 559 million square feet (51.9 million square meters) in 21 countries. The company leases modern distribution facilities to more than 4,500 customers, including manufacturers, retailers, transportation companies, third-party logistics providers and other enterprises.

The statements in this release that are not historical facts are forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. These forward-looking statements are based on current expectations, estimates and projections about the industry and markets in which Prologis operates, management's beliefs and assumptions made by management. Such statements involve uncertainties that could significantly impact Prologis' financial results. Words such as "expects," "anticipates," "intends," "plans," "believes," "seeks," "estimates," variations of such words and similar expressions are intended to identify such forward-looking statements, which generally are not historical in nature. All statements that address operating performance, events or developments that we expect or anticipate will occur in the future — including statements relating to rent and occupancy

growth, development activity and changes in sales or contribution volume of developed properties, disposition activity, general conditions in the geographic areas where we operate, synergies to be realized from our recent merger transaction, our debt and financial position, our ability to form new property funds and the availability of capital in existing or new property funds — are forward-looking statements. These statements are not guarantees of future performance and involve certain risks, uncertainties and assumptions that are difficult to predict. Although we believe the expectations reflected in any forward-looking statements are based on reasonable assumptions, we can give no assurance that our expectations will be attained and therefore, actual outcomes and results may differ materially from what is expressed or forecasted in such forward-looking statements. Some of the factors that may affect outcomes and results include, but are not limited to: (i) national, international, regional and local economic climates, (ii) changes in financial markets, interest rates and foreign currency exchange rates, (iii) increased or unanticipated competition for our properties, (iv) risks associated with acquisitions, dispositions and development of properties, (v) maintenance of real estate investment trust ("REIT") status and tax structuring, (vi) availability of financing and capital, the levels of debt that we maintain and our credit ratings, (vii) risks related to our investments in our co-investment ventures and funds, including our ability to establish new co-investment ventures and funds, (viii) risks of doing business internationally, including currency risks, (ix) environmental uncertainties, including risks of natural disasters, and (x) those additional factors discussed in reports filed with the Securities and Exchange Commission by Prologis under the heading "Risk Factors." Prologis undertakes no duty to update any forward-looking statements appearing in this release.
