About Aspen Group, Inc.

Aspen Group, Inc. is an online postsecondary education company. Aspen University's mission is to become an institution of choice for adult learners by offering cost-effective, comprehensive, and relevant online education. We are dedicated to helping our students exceed their personal and professional objectives in a socially conscious and economically sensible way. One of the key differences between Aspen and other publicly-traded, exclusively online, for-profit universities is that 87% of our full-time degree-seeking students (as of March 31, 2013) are enrolled in a graduate degree program (master or doctorate degree program). Aspen is dedicated to providing the highest quality education experiences taught by top-tier professors - 67% of our adjunct professors hold doctorate degrees.
