FIBRA Prologis Acquires 402,139 Square Feet of Class-A Space

MEXICO CITY, Nov. 4, 2020 /PRNewswire/ -- FIBRA Prologis (BMV: FIBRAPL14), a leading owner and operator of Class-A industrial real estate in Mexico, today announced a third party acquisition of two properties adding up to 402,139 square feet of industrial space in Monterrey for a total investment of US\$27.2 million, including capital improvements and closing costs. The two newly-developed, stabilized properties, purchased from a third-party, are adjacent to Prologis Park Apodaca. Both properties are leased for three years to a top home furnishing company headquartered in China, who will export to the U.S. market from these locations. With this acquisition, FIBRA Prologis will enhance its footprint at Prologis Park Apodaca reaching a total of 4.8 million square feet in Monterrey.

"These newly developed properties complement our portfolio in Monterrey where we have seen great leasing momentum and higher rents relative to last year," said Luis Gutierrez, CEO, Prologis Mexico. "These properties are in the most desirable sub-market of Apodaca and clear evidence that nearshoring is driving demand in Mexico."
