Rennova Health Enters into Preferred Provider Agreement with Three Rivers Providers Network

WEST PALM BEACH, Fla.-- **Rennova Health, Inc. (NASDAQ:RNVA) (NASDAQ:RNVAW)**, a vertically integrated provider of industry-leading diagnostics and supportive software solutions to healthcare providers, announces that it has entered into a preferred provider network agreement with Three Rivers Provider Network (TRPN), effective May 1st 2016. Under the agreement, TRPN's more than 200 million members serviced at 1.5 million healthcare locations across the U.S. will now have access to Rennova's industry-leading and high-complexity diagnostic testing laboratories.

"This agreement with TRPN supports our commitment to growth, permits access to an expanded customer base and enable us to bill as an in-network provider," said Seamus Lagan, CEO of Rennova Health, Inc. "In-network payer contracts significantly strengthen our business and hold potential to increase predictable and dependable revenue from patients we could not otherwise service. As our sector moves from fee-based to outcomes-based reimbursements, our mission to have our clinical labs included as a preferred provider with payers, along with our ability to provide fully integrated software solutions, are key to achieving sustainable growth."

About TRPN

Founded in 1996 and based in Chula Vista, Calif., TRPN is the nation's largest and fastest-growing proprietary provider network. The TRPN network is comprised of more than 1.5 million provider locations and includes more than 5,000 hospitals and 100,000 ancillary facilities. Approximately 200 million lives now have access to the TRPN network, which includes Acute Care Hospitals, Surgery Centers, Network Physicians, Ancillary Facilities, MRI Centers, Laboratories, Radiology, Urgent Care Clinics, Home Health, DME, Chiropractors, Physical Therapy and Mental Health.
