Phunware Added to FTSE Russell Microcap® Index

Addition supplements inclusion in FTSE Russell 2000® and FTSE Russell 3000® indexes from prior June 28 reconstitution at market close

AUSTIN, Texas--(BUSINESS WIRE)-- [Phunware, Inc. \(NASDAQ: PHUN\)](#) (the “Company”), a fully-integrated enterprise cloud platform for mobile that provides products, solutions, data and services for brands worldwide, today announced that it was added to the FTSE Russell Microcap® index yesterday at the conclusion of the 2019 FTSE Russell annual index reconstitution, effective July 1.

“We are extremely pleased for Phunware to have been added to the FTSE Russell Microcap® index [after our inclusion in both the FTSE Russell 2000 and FTSE Russell 3000 indexes late last week](#),” said Alan S. Knitowski, CEO and Co-Founder of Phunware.

Membership in the FTSE Russell Microcap® index, which remains in place for one year, means automatic inclusion in the appropriate growth and value style indexes. FTSE Russell determines membership for its Russell indexes primarily by objective, market-capitalization rankings and style attributes, offering a global platform for increasing the Company’s visibility and exposure to leading institutional investors worldwide.

Russell indexes are widely used by global investment managers and institutional investors for index funds and as benchmarks for active investment strategies, with approximately \$9 trillion in assets benchmarked their US indexes. Russell indexes are part of FTSE Russell, a leading global index provider. For more information on the Russell Microcap® index and the Russell indexes’ reconstitution, go to the “Russell Reconstitution” section of the [FTSE Russell website](#).

Safe Harbor Clause and Forward-Looking Statements

This press release includes forward-looking statements. All statements other than statements of historical facts contained in this press release, including statements regarding our future results of operations and financial position, business strategy and plans and our objectives for future operations, are forward-looking statements. The words “anticipate,” “believe,” “continue,” “could,” “estimate,” “expect,” “expose,” “intend,” “may,” “might,” “opportunity,” “plan,” “possible,” “potential,” “predict,” “project,” “should,” “will,” “would” and similar expressions that convey uncertainty of future events or outcomes are intended to identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking.

The forward-looking statements contained in this press release are based on our current expectations and beliefs concerning future developments and their potential effects on us. Future developments affecting us may not be those that we have anticipated. These

forward-looking statements involve a number of risks, uncertainties (some of which are beyond our control) and other assumptions that may cause actual results or performance to be materially different from those expressed or implied by these forward-looking statements. These risks and uncertainties include, but are not limited to, those factors described under the heading “Risk Factors” in our filings with the Securities and Exchange Commission (SEC), including our reports on Forms 10-K, 10-Q, 8-K and other filings that we make with the SEC from time to time. Should one or more of these risks or uncertainties materialize, or should any of our assumptions prove incorrect, actual results may vary in material respects from those projected in these forward-looking statements. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws. These risks and others described under “Risk Factors” in our SEC filings may not be exhaustive.

By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. We caution you that forward-looking statements are not guarantees of future performance and that our actual results of operations, financial condition and liquidity, and developments in the industry in which we operate may differ materially from those made in or suggested by the forward-looking statements contained in this press release. In addition, even if our results or operations, financial condition and liquidity, and developments in the industry in which we operate are consistent with the forward-looking statements contained in this press release, those results or developments may not be indicative of results or developments in subsequent periods.
