Redwood Trust Reports Third Quarter 2008 Results

MILL VALLEY, Calif.--(BUSINESS WIRE)--

Redwood Trust, Inc. (NYSE:RWT) today reported a GAAP loss of \$111 million for the third quarter of 2008, or a loss of \$3.34 per share. This GAAP loss included \$127 million, or \$3.81 per share, of net negative mark-to-market (MTM) adjustments. This compares to a net loss of \$1.40 per share for the second quarter of 2008, which reflected negative MTM adjustments of \$1.84 per share, and to a net loss of \$2.18 per share for the third quarter of 2007, which reflected negative MTM adjustments of \$3.69 per share.

Taxable income for the third quarter was \$2 million, or \$0.07 per share. This taxable income reflected charges related to credit losses of \$33 million, or \$1.00 per share. This compares to taxable income of \$4 million, or \$0.11 per share, for the second quarter of 2008, and taxable income of \$49 million, or \$1.74 per share, for the third quarter of 2007.

During the quarter, Redwood's investments generated \$46 million of cash flow in excess of operating and interest costs and Redwood ended the quarter with \$177 million in cash and \$7 million of short-term debt.

"Our business remains challenging in light of the continuing deterioration in residential mortgage credit performance. The unrelenting decline in the market values of mortgage loans and related securities has continued to pressure our earnings and book value," said Marty Hughes, Redwood's Chief Financial Officer. "Since mid-June, we significantly reduced our acquisition activity while we assessed the impact of the publicly announced government loan modification programs and the recently announced Troubled Asset Relief Plan." Mr. Hughes added, "In the upcoming months, we believe hedge fund redemptions, forced margin calls, and planned asset liquidations from troubled or seized financial institutions will provide extraordinary investment opportunities. Our strong cash position will allow us to take advantage of those opportunities. "

The accounting concepts and disclosures relating to our financial statements are complex. Today, we also released our "Redwood Review" covering the third quarter of 2008. The Redwood Review contains a more detailed discussion of our business performance and outlook. The Redwood Review is available on our website at www.redwoodtrust.com.

Additional information on our GAAP results is available in our Quarterly Report on Form 10-Q for the three months ended September 30, 2008 which we filed today with the Securities and Exchange Commission. The Form 10-Q is available on our website at www.redwoodtrust.com. We strongly recommend reading the Redwood Review and 10-Q in conjunction with this press release.

CAUTIONARY STATEMENT: This press release contains forward-looking statements within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements involve numerous risks and uncertainties. Our actual results may differ from our expectations, estimates, and projections and, consequently, you should not rely on these forward-looking statements as predictions of future events. Forward-looking statements are not historical in nature and can be identified by words such as "anticipate," "estimate," "will," "should," "expect," "believe," "intend," "seek," "plan" and similar expressions or their negative forms, or by references to strategy, plans, or intentions. These forward-looking statements are subject to risks and uncertainties, including, among other things, those described in our Annual Report on Form 10-K for the year ended December 31, 2007, and in our Quarterly Report on Form 10-Q for the quarter ended September 30, 2008, under the caption "Risk Factors." Other risks, uncertainties, and factors that could cause actual results to differ materially from those projected are described below and may be described from time to time in reports we file with the Securities and Exchange Commission, including reports on Forms 10-K, 10-Q, and 8-K. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise.

Important factors, among others, that may affect our actual results include: changes in interest rates; changes in prepayment rates; general economic conditions, particularly as they affect the price of earning assets and the credit status of borrowers; legislative and regulatory actions affecting the mortgage industry; the availability of high quality assets for purchase at attractive prices; declines in home prices; increases in mortgage payment delinquencies; changes in the level of liquidity in the capital markets which may adversely affect our ability to finance our real estate asset portfolio; changes in liquidity in the market for real estate securities, the re-pricing of credit risk in the capital markets, rating agency downgrades of securities and increases in the supply of real estate securities available for sale, each of which may adversely affect the values of securities we own; the extent of changes in the values of securities we own and the impact of adjustments reflecting those changes on our income statement and balance sheet, including our stockholders' equity; our ability to maintain the positive stockholders' equity necessary to enable us to pay the dividends required to maintain our status as a real estate investment trust for tax purposes; and other factors not presently identified.
