

## Company Overview

Super League Gaming is a first mover in providing accessible esports leagues for amateur gamers that take place both online and through in-person gaming arenas. Our community-building platform enables unique, local gaming experiences for players of all ages and levels to experience amateur competitive gaming, content creation and sharing, and social networking. Super League has pioneered city teams in esports, tapping into gamers' desire for more connectedness and the inherent desire to represent and root for their home team.
