## **Novelis Provides Bi-Weekly Status Update**

ATLANTA, March 27, 2006 /PRNewswire-FirstCall via COMTEX News Network/ -- Novelis Inc. (NYSE: NVL) (TSX: NVL) today provided a status update pursuant to the policies of the Ontario Securities Commission (OSC) and the Canadian Securities Administrators (CSA). Novelis stated that there have been no material developments since its March 13, 2006, status update on the matters initially reported in its press release of November 7, 2005.

Novelis is the global leader in aluminum rolled products and aluminum can recycling. The company operates in 11 countries and has approximately 13,000 employees. Novelis has the unrivaled capability to provide its customers with a regional supply of technologically sophisticated rolled aluminum products throughout Asia, Europe, North America, and South America. Through its advanced production capabilities, the company supplies aluminum sheet and foil to the automotive and transportation, beverage and food packaging, construction and industrial, and printing markets. For more information, visit [www.novelis.com](http://www.novelis.com).

Statements made in this news release which describe Novelis' intentions, expectations or predictions may be forward-looking statements within the meaning of securities laws. Novelis cautions that, by their nature, forward- looking statements involve risk and uncertainty and that Novelis' actual results could differ materially from those expressed or implied in such statements. Important factors which could cause such differences include: the price of aluminum; global supply and demand conditions for rolled aluminum products; changes in the relative value of various currencies; demand and pricing within the principal markets for the Company's products; changes in government regulations, particularly those affecting environmental, health or safety compliance; economic developments; relationships with (and financial or operating conditions of) customers and suppliers; competition from other aluminum rolled products producers as well as from substitute materials such as steel, glass, plastic and composite materials; the level of our indebtedness and ability to generate cash; and other factors relating to the Company's ongoing operations. Additional important factors that could cause such differences in actual results include: the materiality of items identified during the review and restatement process; the timing to complete the review and restatement; the agreement of the lenders and regulatory authorities to the requested extensions to the referenced filing deadlines; and preliminary estimates of debt reduction, cash balances and quarter-over- quarter improvement in regional income. The financial information provided in this news release was prepared by management and has not been audited. Reference should be made to Novelis' registration statement on form S-4 filed with the Securities and Exchange Commission for a discussion of major risk factors.
