Strategic Rationale

Building lending capacity

- **Scale**: nearly 10x the size of Redfin’s existing lending business; matches the scale of Redfin’s nationwide brokerage
- **Efficiency**: Given its scale, Bay Equity can generate more profit from each loan while keeping rates low
- **Coverage**: with Bay Equity’s geographic presence and full product suite we’ll be able to offer mortgages to more customers

A complete real estate solution

- **End-to-end solutions**: For years, Redfin has talked about becoming a one-stop shop for brokerage, mortgage, iBuying and title services
- **Accelerate the vision**: Our long-term vision is to combine lending and brokerage in new ways, so Redfin customers can realize dreams that would not be possible with a stand-alone broker or lender
