SAFE & GREEN

## SG Blocks to Present at the 11th Annual LD Micro Main Event on December 4, 2018

BROOKLYN, N.Y.--(BUSINESS WIRE)--[SG Blocks, Inc.](#) (Nasdaq: [SGBX](#)), a leading designer, innovator and fabricator of container-based structures, has been invited to present at the [11th Annual LD Micro Main Event](#) being held on December 4-6, 2018 at the Luxe Sunset Boulevard Hotel in Los Angeles, California.

SG Blocks CEO Paul Galvin and CFO Mahesh Shetty are scheduled to present on Tuesday, December 4<sup>th</sup> at 5:30 p.m. Pacific time in Track 2 with one-on-one meetings held throughout the conference.

For additional information or to schedule a one-on-one meeting with SG Blocks management, please log-in via the link provided in your invitation or contact your LD Micro representative. You may also email your request to [chris.tyson@mzgroup.us](mailto:chris.tyson@mzgroup.us) or call Chris Tyson at (949) 491-8235.

### About the 11th Annual LD Micro Main Event Conference

LD Micro was founded in 2006 with the sole purpose of being an independent resource in the microcap space. What started out as a newsletter highlighting unique companies has transformed into an event platform hosting several influential conferences annually (Invitational, Summit, and Main Event). In 2015, LDM launched the first pure microcap index (the LDMi), which covers stocks in North America with market capitalizations between \$50M-\$300M to exclusively provide intraday information on the entire sector. It is a non-registered investment advisor. For more details, please click [here](#).

### About SG Blocks, Inc.

SG Blocks, Inc. is a premier innovator in advancing and promoting the use of code-engineered cargo shipping containers and purpose-built steel modules for safe and sustainable construction. The firm offers a product that exceeds many standard building code requirements, and also supports developers, architects, builders and owners in achieving greener construction, faster execution, and stronger buildings of higher value. Each project starts with GreenSteel™, the structural core and shell of an SG Blocks building, and then customized to client specifications.
