Salem Communications' CrossCards.com Releases Free iPhone Application

First Christian e-Card Application Goes Live

RICHMOND, VA -- (MARKET WIRE) -- 09/27/10 -- Salem Web Network, the online division of Salem Communications Corporation (NASDAQ: SALM), the leading radio broadcaster, Internet content provider and publisher targeting audiences interested in Christian family-themed content, announced that it has released the first Christian e-card iPhone app based on the largest Christian [e-card](#) website, CrossCards.com.

The CrossCards.com Christian e-cards is a free app which allows users to search and send animated e-cards for all occasions straight from their iPhone, iPad or iPod Touch. The greeting card app joins Salem's extension of online website platforms formatted for easy-to-use iPhone applications including [OnePlace.com](#)'s streaming Christian radio broadcasts app, more than 70 live Christian teaching and talk radio apps, and a soon to be released [Bible](#) reading and study app.

"Salem Web Network understands that our visitors want an interactive mobile app that extends their CrossCards.com experience," said Rick Killingsworth, Executive Vice President of Salem Web Network. "We are excited about the launch of this app and in providing another touch point for users to engage with a free resource they love and can easily share."

Features in the Christian e-cards app include:

- Search e-cards by category and topic
- Instantly view and watch animated e-cards
- Personalize e-cards with your own message
- Send unlimited e-cards
- Mark and save favorite e-cards
- Download free Christian wallpaper for iPhone backgrounds

According to Nielsen's September 2010 Emerging Mobile Apps report, one in four U.S. adults are using smart phones and as of June 2010, 59% have downloaded a mobile app in the last 30 days. While searching the application store is the preferred way for finding new apps, the second most preferred form of discovery is through family and friend recommendations. As the largest Christian audience of over 6 million unique users, Salem acknowledges that one of the largest factors in the success of the application is in the viral nature of sending and receiving encouraging e-cards.

"Our visitors are finding the greeting cards iPhone app to be a great platform to experience CrossCards.com," said Tom Perrault, Senior Vice President of Salem Web Network., "This

new application allows visitors greater access to send words of encouragement any time of the day whether they are online or mobile."
