Grant Stinchfield will continue to host his daily television

program *Stinchfield* on Newsmax. *The Morning Answer* with Jennifer Horn and Grant Stinchfield is heard weekday mornings 6-9am on KRLA-AM and KTIE-AM.

"Good things come to those that wait," according to Chuck Tyler, Director of Programming for KRLA and KTIE. "We put Jennifer Horn through the ringer, as we tried out numerous co-hosts for this plumb assignment, having a number of world-class talk-radio candidates. It took us five months. The good news is Jennifer survived, and we found an amazing new partner for her!"

VP/General Manager Terry Fahy remarked, "Grant Stinchfield is an ideal fit for *The Morning Answer* here in Southern California. The chemistry is already spectacular. We look forward to covering the news, commenting on the news...and *making news* from our home base in Los Angeles."

"Grant is a true gem. He is smart, funny and knows his stuff. His chemistry with Jennifer makes the morning show sizzle. We are delighted to add him to the team," added Senior Vice President Phil Boyce.

According to *The Morning Answer* Co-Host Jennifer Horn, "*The Morning Answer* has reached new ratings highs over the last few months and I cannot wait to grow the show with Grant. We clicked on day one and have great plans for making *The Morning Answer*, bigger, better and brighter than ever!"

Grant added, "It is an honor to be chosen to be an important voice for millions of Californians who cherish liberty and freedom in a state that is quickly being controlled by big bureaucracy and government. I can't think of a more important area of the country that needs common

sense straight talk than Southern California. My goal is to simply strengthen the tireless fight AM 870 and AM 590 is already waging war against the enemies of freedom, capitalism and democracy.”
