# Helios Technologies Completes Acquisition of Assets of Joyonway Expanding Electronic Controls Platform Capabilities in Asia

***Strong strategic fit for Electronics segment further enhances technology and enables competitive and scalable capabilities “in the region, for the region”***

SARASOTA, Fla.--(BUSINESS WIRE)-- [Helios Technologies](#) (Nasdaq: HLIO) (“Helios” or the “Company”), a global leader in highly engineered motion control and electronic controls technology for diverse end markets, today announced that it completed the acquisition of assets related to the electronic control systems and parts business of [Shenzhen Joyonway Electronics & Technology Co., Ltd](#) and its related entities (collectively “Joyonway”). The Company previously announced on May 10, 2021, that it had entered into a definitive agreement to acquire the assets of Joyonway.

Joyonway is a fast-growing developer of control panels, software, systems and accessories for the health and wellness industry and operates in two cities, Shenzhen and Dongguan, which are in the hub of electronics and software development in China.

Josef Matosevic, the Company’s President and Chief Executive Officer, commented, “After the successful closing of NEM in July, the completion of the Joyonway asset acquisition provides another example of the effectiveness of our flywheel acquisition strategy. Joyonway complements the electronic controls platform from our Balboa Water Group acquisition by bringing an innovative portfolio of new solutions, strengthening our supply chain through broader geographic reach, increasing our manufacturing capacity to meet growing global demand as well as better servicing ‘in the region for the region’. Importantly, we expect to leverage our flywheel acquisitions on top of our strong, organically growing base business to drive toward our accelerated goals to achieve \$1 billion in sales by year end 2023 with top tier Adjusted EBITDA margins. I am very pleased to welcome the Joyonway team to the Helios family.”

## **About Helios Technologies**

Helios Technologies is a global leader in highly engineered motion control and electronic controls technology for diverse end markets, including construction, material handling, agriculture, energy, recreational vehicles, marine, health and wellness. Helios sells its products to customers in over 90 countries around the world. Its strategy for growth is to be the leading provider in niche markets, with premier products and solutions through innovative product development and acquisition. The Company has paid a cash dividend to its shareholders every quarter since becoming a public company in 1997. ## Forward Looking Information

*This news release contains “forward-looking statements” within the meaning of Section 21E of the Securities Exchange Act of 1934. Forward-looking statements involve risks and uncertainties, and actual results may differ materially from those expressed or implied by such statements. They include statements regarding current expectations, estimates, forecasts, projections, our beliefs, and assumptions made by Helios Technologies, Inc. (“Helios” or the “Company”), its directors or its officers about the Company and the industry in which it operates, and assumptions made by management, and include among other items, (i) the Company’s strategies regarding growth, including its intention to develop new products and make acquisitions; (ii) the effectiveness of creating the Center of Engineering Excellence; (iii) the Company’s financing plans; (iv) trends affecting the Company’s financial condition or results of operations; (v) the Company’s ability to continue to control costs and to meet its liquidity and other financing needs; (vi) the declaration and payment of dividends; and (vii) the Company’s ability to respond to changes in customer demand domestically and internationally, including as a result of standardization. In addition, we may make other written or oral statements, which constitute forward-looking statements, from time to time. Words such as “may,” “expects,” “projects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “estimates,” variations of such words, and similar expressions are intended to identify such forward-looking statements. Similarly, statements that describe our future plans, objectives or goals also are forward-looking statements. These statements are not guaranteeing future performance and are subject to a number of risks and uncertainties. Our actual results may differ materially from what is expressed or forecasted in such forward-looking statements, and undue reliance should not be placed on such statements. All forward-looking statements are made as of the date hereof, and we undertake no obligation to update any forward-looking statements, whether as a result of new information, future events or otherwise.*

*Factors that could cause the actual results to differ materially from what is expressed or forecasted in such forward-looking statements include, but are not limited to, (i) conditions in the capital markets, including the interest rate environment and the availability of capital; (ii) our failure to realize the benefits expected from the Balboa acquisition, our failure to promptly and effectively integrate the Balboa acquisition and the ability of Helios to retain and hire key personnel, and maintain relationships with suppliers (iii) risks related to health epidemics, pandemics and similar outbreaks and similar outbreaks, including, without limitation, the current COVID-19 pandemic, which may among other things, adversely affect our supply chain and material costs and have material adverse effects on our business, financial position, results of operations and/or cash flows; (iv) changes in the competitive marketplace that could affect the Company’s revenue and/or cost bases, such as increased competition, lack of qualified engineering, marketing, management or other personnel, and increased labor and raw materials costs; and (v) new product introductions, product sales mix and the geographic mix of sales nationally and internationally. Further information relating to factors that could cause actual results to differ from those anticipated is included but not limited to information under the heading Item 1. “Business” and Item 1A. “Risk Factors” in the Company’s Form 10-K for the year ended January 2, 2021.*
