Brunswick Corporation : Brunswick Awards Scholarships to the Children of Dealership Employees

LAKE FOREST, Ill., Sept. 6, 2016 - Brunswick Corporation's (NYSE: BC) dealer services team, Brunswick Dealer Advantage, and the Brunswick Foundation, recently announced that 28 deserving students of dealer families from both the U.S. and Canada have each been awarded a one-year, \$2,000 college scholarship as part of the 2016 Brunswick Foundation Sons and Daughters Scholarship program.

Since 2007, the Brunswick Foundation Sons and Daughters Scholarship Program has recognized students for their academic excellence, leadership capabilities and community involvement during the past school year. This year's scholarship recipients were chosen by an independent committee of academic professionals from leading Midwestern universities.

"Brunswick Corporation remains committed to providing the best dealer support services in the industry and we are pleased to award these scholarships for the tenth consecutive year," said Kirsten Schuchardt, marketing and program manager for Brunswick Dealer Advantage. "The Brunswick Foundation Dealer Sons and Daughters Scholarship program has allowed us to directly help our dealers, their employees and their families."

Since its inception, the Brunswick Foundation Sons and Daughters Scholarship Program has provided more than \$550,000 to support the baccalaureate education of more than 275 students.

"I am very thankful to have received this scholarship. This will definitely help relieve the financial pressures of me and my family," said scholarship winner Miranda Nikkel, whose father Greg Nikkel works for NR Motors LTD in Manitoba, Canada. "I am looking forward to starting university and the new chapter of my life."

The Brunswick dealer scholarship program is a key part of Brunswick Dealer Advantage, a suite of leading dealer services in the U.S. and Canada that are designed to help dealers draw more customers, attract and retain employees and improve operational efficiencies.
