ROLLINS, INC. ANNOUNCES 30 PERCENT INCREASE IN REGULAR QUARTERLY DIVIDEND

ATLANTA, Oct. 25, 2022 /PRNewswire/ -- Rollins, Inc. (NYSE:ROL), a premier global consumer and commercial services company announced that the Board of Directors declared a regular quarterly cash dividend on its common stock of \$0.13 per share payable December 9, 2022 to stockholders of record at the close of business on November 10, 2022, representing a 30 percent increase in the regular dividend.

"Rollins has a long-standing track record of increasing our dividend as we grow our business," commented Mr. Jerry Gahlhoff, Jr., President, and Chief Operating Officer. "The 30 percent increase in the regular dividend represents our commitment to return capital to shareholders and our confidence in our future," Mr. Gahlhoff, concluded.

About Rollins, Inc.

CAUTION REGARDING FORWARD-LOOKING STATEMENTS

Statements made in this press release may contain forward-looking statements that involve risks and uncertainties concerning the business and financial results of Rollins, Inc. We have based these forward-looking statements largely on our current opinions, expectations, beliefs, plans, objectives, assumptions and projections about future events and financial trends affecting the operating results and financial condition of our business. Such forward looking statements include, but are not limited to, statements regarding the Company's commitment to return capital to shareholders and its confidence in its future.

Our actual results could differ materially from those indicated by the forward-looking

statements because of various risks, timing and uncertainties including, without limitation, the failure to maintain and enhance our brands and develop a positive client reputation; our ability to protect our intellectual property and other proprietary rights that are material to our business and our brand recognition; actions taken by our franchisees, subcontractors or vendors that may harm our business; general economic conditions; the impact of the extent and duration of economic contraction related to COVID-19 on general economic activity for the remainder of 2022 and beyond; the impact of future developments related to the COVID-19 pandemic on the Company's business, results of operations, accounting assumptions and estimates and financial condition, including, without limitation, inflation and restrictions in customer discretionary expenditures, disruptions in credit or financial markets, increases in fuel prices, raw material costs or other operating costs; potential increases in labor costs; labor shortages and/or our inability to attract and retain skilled workers; competitive factors and pricing practices; changes in industry practices or technologies; the degree of success of our termite process reforms and pest control selling and treatment methods; our ability to identify, complete and successfully integrate potential acquisitions; unsuccessful expansion into international markets; climate change and unfavorable weather conditions; a breach of data security resulting in the unauthorized access of personal, financial, proprietary, confidential or other personal data or information about our customers, employees, third parties, or of our proprietary confidential information; damage to our brands or reputation; possibility of an adverse ruling against us in pending litigation, regulatory action or investigation; changes in various government laws and regulations, including environmental regulations; the adequacy of our insurance coverage to cover all significant risk exposures; the effectiveness of our risk management and safety program; general market risk; management's substantial ownership interest and its impact on public stockholders and the availability of the Company's common stock to the investing public; and the existence of certain anti-takeover provisions in our governance documents, which could make a tender offer, change in control or takeover attempt that is opposed by the Company's Board of Directors more difficult or expensive. All of the foregoing risks and uncertainties are beyond our ability to control, and in many cases, we cannot predict the risks and uncertainties that could cause our actual results to differ materially from those indicated by the forward-looking statements. The Company does not undertake to update its forward-looking statements.
