Acurx Pharmaceuticals

Acurx Pharmaceuticals to Present at the Emerging Growth Conference on January 25, 2023

Acurx invites individual and institutional investors, financial advisors and analysts to attend its real-time, interactive question and answer session at the Emerging Growth Conference

STATEN ISLAND, N.Y., Jan. 16, 2023 /PRNewswire/ -- Acurx Pharmaceuticals, Inc. (NASDAQ: ACXP) ("Acurx" or the "Company"), a clinical stage biopharmaceutical company developing a new class of antibiotics for difficult-to-treat bacterial infections, is pleased to announce that it has been invited to present at the Emerging Growth Conference on January 25, 2023. This live, interactive online event will provide existing stockholders and the investment community with the opportunity to interact with the Company's President & Chief Executive Officer, David P. Luci, in real time. Mr. Luci will conduct an interview and open the floor for questions. Please submit your questions in advance to Questions@EmergingGrowth.com or ask your questions during the event and Mr. Luci will do his best to respond to as many as possible.

Details of this event are as follows:

Date: Wednesday, January 25, 2023

Time: 9:40 am to 10:10 am Eastern Time

Webcast: https://goto.webcasts.com/starthere.jsp?ei=1575092&tp_key=9111d280ed&sti=acxp

This live, interactive online event will provide current stockholders and the investment community the opportunity to interact with David P. Luci. As time permits, Mr. Luci may be able to respond to questions from participants.

If attendees are not able to join the event live on the day of the conference, an archived webcast will also be made available on EmergingGrowth.com and on the Emerging Growth YouTube Channel, <http://www.YouTube.com/EmergingGrowthConference>. We will release a link to that after the event.

About the Emerging Growth Conference

The Emerging Growth conference is an effective way for public companies to present and communicate their new products, services and other major announcements to the investment community from the convenience of their office, in a time efficient manner.

The Conference focus and coverage includes companies in a wide range of growth sectors with strong management teams, innovative products & services, focused strategy, execution, and the overall potential for long term growth. Its audience includes potentially tens of thousands of Individual and Institutional investors, as well as Investment advisors and analysts.

All sessions will be conducted through video webcasts and will take place in the Eastern

time zone.
