Ethan Allen Comments on Business and Announces Earnings Release Date for Fiscal 2020 First Quarter Results

Danbury, Connecticut, Oct. 17, 2019 (GLOBE NEWSWIRE) -- Ethan Allen Interiors Inc. ("Ethan Allen" or "the Company") (NYSE:ETH) commented today on its fiscal first quarter ended September 30, 2019.

The Company expects to report for the quarter:

- Consolidated net sales of \$174 million
- GAAP diluted EPS in the range of \$0.51 to \$0.53
- Adjusted diluted EPS in the range of \$0.33 to \$0.35
- Cash of \$46 million increased 120% from June 30, 2019

Farooq Kathwari, Ethan Allen's Chairman, President and CEO commented, "We have continued strengthening our product and marketing programs and believe we are well positioned to continue to increase our profits and to grow sales. We launched our new membership program in October with a 68-page direct mail magazine and have in place an aggressive advertising campaign in digital, print and other mediums." Mr. Kathwari continued, "We were pleased to close on the sale of our Passaic, New Jersey property during our first quarter, which sold for \$12.3 million and is reflected in our GAAP results. This sale, together with our strong operating results, increased our cash on hand at the end of the quarter by 120% to \$46 million compared to the June 30, 2019 quarter end."

Mr. Kathwari concluded, "While our wholesale orders from China declined 38% mainly due to the imposition of tariffs by China, total wholesale orders excluding our China business increased 1%. As expected, our contract business, driven by the GSA contract, had another strong quarter. We believe our new format of reporting on wholesale orders booked through all channels provides a more holistic view of our business than our previous reporting of the change in only the company retail division written orders."

The Company also announced it will release its financial results for the fiscal 2020 first quarter ended September 30, 2019, after the market closes on Monday, November 4, 2019. Following the release, the Company will host an analyst conference call at 5 PM (Eastern Time) to discuss its financial results. ABOUT NON-GAAP FINANCIAL MEASURES

In this press release the Company has included financial measures that are not prepared in accordance with U.S. generally accepted accounting principles ("GAAP"). The Company computes the non-GAAP financial measure of adjusted diluted EPS by adjusting the GAAP diluted EPS to remove the impact of certain charges and gains and the related tax effect of these adjustments. The presentation of this non-GAAP financial measure is not intended to be considered in isolation or as a substitute for, or superior to, the financial measure presented in accordance with GAAP. The Company uses this non-GAAP financial measure for financial and operational decision making and to evaluate period-to-period comparisons. The Company believes that it provides useful information about operating results, enhances the overall understanding of past financial performance and prospects, and allows for greater transparency with respect to key metrics used by management in its financial and operational decision making.
