Australian Media Powerhouse Erin Molan Joins Salem Podcast Network With New Show -- “The Erin Molan Show”

CAMARILLO, Calif.--(BUSINESS WIRE)-- [Salem Media Group, Inc.](#) (OTCQX: SALM) proudly announces the launch of [The Erin Molan Show](#), hosted by acclaimed Australian journalist and media personality Erin Molan. With three episodes debuting weekly, the show will be accessible in both audio format across all major podcast platforms and video format on Erin’s official [YouTube channel](#).

The Salem Podcast Network has assembled a powerhouse roster of talent, including Charlie Kirk, Trish Regan, Lara Trump, Dinesh D’Souza, and Alex Marlow, who are already exceeding all expectations for the network. Views and downloads are up 12 percent for the year, making the Salem Podcast Network one of the fastest-growing in the country. New talent like Erin will only continue to add jet fuel to the Salem growth trajectory.

Erin Molan brings her razor-sharp insight, fearless commentary, and journalistic integrity to U.S. audiences. After years as a television presenter, radio personality, and columnist, Erin’s recent outspoken stance—particularly her strong support for Israel—has earned her [recognition and praise](#) from top conservative figures, such as [Mark Levin](#).

Erin Molan commented on her new partnership with Salem, saying, “The American market has always felt like such a natural fit. The focus on my former show on Sky News Australia was always more heavily skewed towards foreign affairs, US politics, national security, and COMMON SENSE! When clips started to go viral in the United States, I figured there was an appetite there for what I had to say! There’s something unique about being able to observe the greatest show on earth (America politics - not mine - yet!) from afar and to weigh in without fear or favor - so to join a platform that boasts the likes of Lara Trump, Charlie Kirk, and Scott Jennings is an honor. All such powerful voices fighting for the same values - albeit in very different ways! I promise to bring fire, substance, and a healthy dose of common sense. The Australian sarcasm is hard to drop, BUT I’ll try. I’ll be brutal when required, but always fair. I aim to inform and entertain, and there’s no better place for me to do that than on ‘The Erin Molan Show’ with Salem Media!”

Phil Boyce, Senior Vice President of Spoken Word at Salem Media Group, praised her, saying, “I really believe Erin Molan is the ‘thunder from down under.’ She is fighting hard for the right side in Australia, and now we are helping her make her case to the U.S. and beyond. She is a strong advocate for Israel and against anti-Semitic rhetoric, so I can’t wait to hear her get started.”

This podcast isn’t just about commentary—it’s about inciting honest conversations, confronting brutal truths, and cutting through media spin. It’s a platform to speak boldly and

unapologetically, with stories that matter and guests you won't forget.

The show will be available at the Salem Podcast Network's site, accessible via SalemPodcastNetwork.com, and on all major podcast distribution platforms. Video versions will stream on Erin's official YouTube channel.
