TTM Technologies, Inc. to Present At the Thomas Weisel Partners Technology & Telecom Conference On February 11, 2009

SANTA ANA, Calif., Jan. 30, 2009 (GLOBE NEWSWIRE) -- TTM Technologies, Inc. (Nasdaq:TTMI), a leading manufacturer of time-critical, technologically advanced printed circuit boards, will participate in the Thomas Weisel Partners Technology & Telecom Conference on Wednesday, February 11, 2009 at 10:20 a.m. Pacific time. The conference is being held at the Fairmont Hotel in San Francisco, California.

Steve Richards, CFO, and Shane Whiteside, COO, will discuss TTM's successful strategy and its ability to capture market share in the printed circuit board industry.

The presentation will be webcast on the company's website, www.ttmtech.com, and will remain accessible for one week following the event.

TTM Technologies, Inc. is a leading supplier of time-critical and technologically advanced printed circuit boards to original equipment manufacturers and electronic manufacturing services companies. TTM stands for time-to-market, representing how the company's time-critical, one-stop manufacturing services enable customers to shorten the time required to develop new products and bring them to market.
