

Ethan Allen Reports Fiscal 2026 Second Quarter Results; Robust Balance Sheet and Strong Margins Despite Economic Challenges including Government Shutdown; Well-Positioned Moving Forward

DANBURY, CT, Jan. 28, 2026 (GLOBE NEWSWIRE) -- Ethan Allen Interiors Inc. ("Ethan Allen" or the "Company") (NYSE: ETD), a leading interior design destination, today reported its results for the fiscal 2026 second quarter ended December 31, 2025.

Farooq Kathwari, Ethan Allen's Chairman, President and CEO commented, "We are pleased to report our second quarter financial and operating results, which include strong margins and a robust balance sheet despite a challenging environment, including the U.S. government shutdown. We continue to strengthen many areas of our vertically integrated enterprise, including our talent, product offerings, marketing, technology, retail network, manufacturing, logistics and social responsibility. As the interior design destination with a strong North American manufacturing presence, we are building on our reputation for handcrafted quality, our unique blend of personal service combined with technology and our vision of classic design from a modern perspective."

"For the second quarter ended December 31, 2025, we reported consolidated net sales of \$149.9 million, gross margin of 60.9%, adjusted operating income of \$13.5 million, adjusted operating margin of 9.0% and adjusted diluted EPS of \$0.44. Written order growth was impacted by a difficult prior year comparison and macroeconomic challenges, including the government shutdown. Our adjusted operating margin of 9.0% reflects a strong gross margin of 60.9% combined with our focus on cost control and operational efficiencies while making incremental strategic marketing investments. Total cash and investments of \$179.3 million at December 31, 2025 included the payment of \$10.0 million in regular quarterly cash dividends and \$2.9 million of capital expenditures as we return capital to shareholders and reinvest in our business. We are also pleased to announce that yesterday our Board approved a regular quarterly cash dividend of \$0.39 per share, payable on February 25, 2026."

"As we enter the 2026 calendar year, our 94th year of operation, we are well-positioned and thankful for the continued hard work of our 3,149 talented and dedicated associates that support our iconic Ethan Allen brand. Recent product introductions are beginning to resonate with our clients as we operate our repositioned and refreshed 172 retail design centers throughout North America and more internationally. Our ability to offer relevant high-quality products, provide complimentary interior design service and manufacture 75% of the custom furniture in our own North American facilities is a major advantage for us and

positions the Company well as we navigate the current operating environment. We look forward to continuing our progress and remain cautiously optimistic," concluded Mr. Kathwari.

BALANCE SHEET and CASH FLOW

Cash and investments totaled \$179.3 million at December 31, 2025 compared with \$196.2 million at June 30, 2025. The decrease during the first six months of fiscal 2026 was due to \$26.3 million in cash dividends paid and capital expenditures of \$5.3 million, partially offset by \$15.0 million in cash generated from operating activities.

Cash from operating activities totaled \$15.0 million during fiscal 2026, a decrease from \$26.7 million in the prior year period due to lower net income and changes in working capital, including lower customer deposits and a decrease in accrued compensation and benefits based on timing of payroll.

Cash dividends paid during the first six months of fiscal 2026 totaled \$26.3 million, which included a special cash dividend of \$6.4 million, or \$0.25 per share, and regular quarterly cash dividends totaling \$19.9 million.

Inventories, net totaled \$141.9 million at December 31, 2025, an increase of 0.7% since June 30, 2025 as new product introductions were partially offset by higher designer floor sample sales.

Customer deposits from undelivered written orders totaled \$63.6 million at December 31, 2025, down from \$75.1 million at June 30, 2025 as delivered sales outpaced incoming retail written orders. Wholesale backlog was \$49.8 million at December 31, 2025, an increase of 2.0% during the first half of fiscal 2026 due to timing of incoming contract orders.

No debt outstanding at December 31, 2025.

DIVIDENDS

On October 28, 2025, the Company's Board of Directors declared a \$0.39 per share regular

quarterly cash dividend, which was paid on November 26, 2025. More recently, on January 27, 2026, the Board of Directors declared a regular quarterly cash dividend of \$0.39 per share, payable on February 25, 2026 to shareholders of record as of February 11, 2026.

ABOUT NON-GAAP FINANCIAL MEASURES

This release is intended to supplement, rather than to supersede, the Company's consolidated financial statements, which are prepared and presented in accordance with U.S. generally accepted accounting principles ("GAAP"). In this release the Company has included financial measures that are derived from the consolidated financial statements but are not presented in accordance with GAAP. The Company uses non-GAAP financial measures, including adjusted operating income and margin, adjusted net income and adjusted diluted EPS (collectively "non-GAAP financial measures"). The Company computes these non-GAAP financial measures by adjusting the comparable GAAP measure to remove

the impact of certain charges and gains and the related tax effect of these adjustments. Investors should consider these non-GAAP financial measures in addition to, and not as a substitute for, or superior to, the financial performance measures prepared in accordance with GAAP. The Company uses these non-GAAP financial measures for financial and operational decision making and to evaluate period-to-period comparisons. The Company believes that they provide useful information about operating results, enhance the overall understanding of past financial performance and prospects, and allow for greater transparency with respect to key metrics used by management in its financial and operational decision making. A reconciliation of these non-GAAP financial measures to the most directly comparable financial measure reported in accordance with GAAP is provided at the end of this release.

FORWARD-LOOKING STATEMENTS

This release contains “forward-looking statements” within the meaning of the Private Securities Litigation Reform Act of 1995, Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). Generally, forward-looking statements represent management’s beliefs and assumptions concerning current expectations, projections or trends relating to results of operations, financial results, financial condition, strategic initiatives, expenses, dividends, share repurchases, liquidity, use of cash and cash requirements, investments, future economic indicators, business conditions and industry performance. Such forward-looking statements can be identified by the fact that they do not relate strictly to historical or current facts. These forward-looking statements may include words such as “anticipate,” “estimate,” “expect,” “project,” “plan,” “intend,” “believe,” “continue,” “may,” “will,” “short-term,” “target,” “outlook,” “forecast,” “future,” “strategy,” “opportunity,” “would,” “guidance,” “non-recurring,” “one-time,” “unusual,” “should,” “likely,” “pandemic,” and other words and terms of similar meaning in connection with any discussion of the timing or nature of future operating or financial performance or other events. The Company derives many of its forward-looking statements from operating budgets and forecasts, which are based upon detailed assumptions. While the Company believes that its assumptions are reasonable, it cautions that it is difficult to predict the impact of known factors and it is impossible for the Company to anticipate all factors that could affect actual results and matters that are identified as “short-term,” “non-recurring,” “unusual,” “one-time,” or other words and terms of similar meaning may in fact recur in one or more future financial reporting periods.

Forward-looking statements are subject to risks and uncertainties that may cause actual results to differ materially from those that are expected. Actual results could differ materially from those anticipated in the forward-looking statements due to a number of risks and uncertainties including, but not limited to, the risks and uncertainties disclosed in Part I, Item 1A. *Risk Factors*, in the Company’s 2025 Annual Report on Form 10-K and other factors identified in its reports filed with the Securities and Exchange Commission (the “SEC”), available on the SEC’s website at www.sec.gov.

All forward-looking statements attributable to the Company, or persons acting on its behalf, are expressly qualified in their entirety by these cautionary statements, as well as other cautionary statements. A reader should evaluate all forward-looking statements made in this release in the context of these risks and uncertainties. Given the risks and uncertainties surrounding forward-looking statements, you should not place undue reliance on these

statements. Many of these factors are beyond the Company's ability to control or predict. The Company is including this cautionary note to make applicable and take advantage of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995 for forward-looking statements. The forward-looking statements included in this release are made only as of the date hereof. The Company undertakes no obligation to publicly update or revise any forward-looking statement, whether as a result of new information, future events or otherwise, except as otherwise required by law.

Reconciliation of Non-GAAP Financial Measures

To supplement the financial measures prepared in accordance with GAAP, the Company uses non-GAAP financial measures, including adjusted operating income and margin, adjusted net income and adjusted diluted EPS. The reconciliations of these non-GAAP financial measures to the most directly comparable financial measures calculated and presented in accordance with GAAP are shown in tables below.

These non-GAAP measures are derived from the consolidated financial statements but are not presented in accordance with GAAP. The Company believes these non-GAAP measures provide a meaningful comparison of its results to others in its industry and prior year results. Investors should consider these non-GAAP financial measures in addition to, and not as a substitute for, its financial performance measures prepared in accordance with GAAP. Moreover, these non-GAAP financial measures have limitations in that they do not

reflect all the items associated with the operations of the business as determined in accordance with GAAP. Other companies may calculate similarly titled non-GAAP financial measures differently than the Company does, limiting the usefulness of those measures for comparative purposes. Despite the limitations of these non-GAAP financial measures, the Company believes these adjusted financial measures and the information they provide are useful in viewing its performance using the same tools that management uses to assess progress in achieving its goals. Adjusted measures may also facilitate comparisons to historical performance.

The following tables provide a reconciliation of non-GAAP financial measures used in this release to the most directly comparable GAAP financial measures:
