Cummins Recognizes Top U.S. Suppliers

COLUMBUS, Ind.--(BUSINESS WIRE)-- Cummins Inc. (NYSE:CMI) earlier this month recognized the top suppliers to its U.S. operations at its 2017 U.S. Supplier Conference held in Columbus, Ind. In all, 11 suppliers to Cummins' businesses and functions achieved recognition for delivering exemplary service and support in a range of categories, including U.S. Supplier of the Year.

"These suppliers have demonstrated and exceeded the qualities that we expect of all of our suppliers – high quality, on-time delivery, innovation, service and commitment to Cummins' values," said Tim Millwood, Vice President – Procurement. "They have been great partners to Cummins, working together with us to help our customers succeed. It's called partnering for success."

The winning suppliers were nominated by the respective business units and functional areas from more than 5,000 suppliers to Cummins in the United States. The awards recognize suppliers that are helping Cummins transform its supply chain into one that is market driven.

The winners are:

- Entec Polymers LLC
- World Wide Technology, Inc.
- MAHLE
- VCST Industrial Products
- SGS CyberMetrix Inc.
- Johnson Matthey Inc.
- DENSO International America, Inc
- FA Wilhelm Construction Company, Inc
- Taylor Brothers Construction Co., Inc
- Oracle America, Inc.
- Corning Incorporated

About Cummins

Cummins Inc., a global power leader, is a corporation of complementary business segments that design, manufacture, distribute and service diesel and natural gas engines and related technologies, including fuel systems, controls, air handling, filtration, emission solutions and electrical power generation systems. Headquartered in Columbus, Indiana, (USA) Cummins currently employs approximately 55,400 people worldwide and serves customers in approximately 190 countries and territories through a network of approximately 600 company-owned and independent distributor locations and approximately 7,400 dealer locations. Cummins earned \$1.39 billion on sales of \$17.5 billion in 2016. Press releases can be found on the Web at www.cummins.com.
