Cummins Inc. Increases Quarterly Common Stock Dividend

COLUMBUS, Ind.--(BUSINESS WIRE)-- The Board of Directors of Cummins Inc. (NYSE: CMI) today approved an increase in the company's quarterly cash dividend on common stock from 1.08 dollars per share, to 1.14 dollars per share, payable on September 4, 2018, to shareholders of record on August 22, 2018.

"The increase in our dividend reinforces our commitment to increasing returns to shareholders and reflects our confidence in our long term performance," said Tom Linebarger, Chairman and Chief Executive Officer. "We will continue to produce strong returns by providing outstanding products and support for our customers, investing in our future and executing our growth strategy."

About Cummins

Cummins Inc., a global power leader, is a corporation of complementary business units that design, manufacture, distribute and service a broad portfolio of power solutions. The company's products range from diesel and natural gas engines to hybrid and electric platforms, as well as related technologies, including battery systems, fuel systems, controls, air handling, filtration, emission solutions and electrical power generation systems. Headquartered in Columbus, Indiana, (USA) Cummins currently employs approximately 58,600 people committed to powering a more prosperous world. Cummins serves customers in approximately 190 countries and territories through a network of approximately 500 company-owned and independent distributor locations and approximately 7,500 dealer locations. Cummins earned about \$1 billion on sales of \$20.4 billion in 2017. Press releases can be found on the Web at www.cummins.com. Forward-looking disclosure statement

Information provided in this release that is not purely historical are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, including statements regarding our forecasts, guidance, preliminary results, expectations, hopes, beliefs and intentions on strategies regarding the future. These forward looking statements include, without limitation, statements relating to our plans and expectations for our revenues and EBITDA percentage for the full year of 2018. Our actual future results

could differ materially from those projected in such forward-looking statements because of a number of factors, including, but not limited to: (i) a sustained slowdown or significant downturn in our markets; (ii) our truck manufacturing and OEM customers discontinuing outsourcing their engine needs; (iii) the development of new technologies; (iv) the discovery of any significant additional problems with our engine platforms or aftertreatment systems in North America; (v) performance or safety-related recalls; (vi) lower than anticipated market acceptance of our new or existing products or services; (vii) a slowdown in infrastructure development and/or depressed commodity prices; (viii) unpredictability in the adoption, implementation and enforcement of increasingly stringent emissions standards around the world; (ix) our reliance on significant earnings from investees that we do not directly control; (x) the adoption and impact of new tax legislation; (xi) potential security breaches or other disruptions to our information technology systems and data security; (xii) financial distress or a change-in-control of one of our large truck OEM customers; (xiii) our pursuit of strategic acquisitions and divestitures; and (xiv) other risks detailed from time to time in our Securities and Exchange Commission filings, including particularly in the Risk Factors section of our 2017 Annual Report on Form 10-K. Shareholders, potential investors and other readers are urged to consider these factors carefully in evaluating the forward-looking statements and are cautioned not to place undue reliance on such forward-looking statements. The forward-looking statements made herein are made only as of the date of this press release and we undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise. More detailed information about factors that may affect our performance may be found in our filings with the Securities and Exchange Commission, which are available at <http://www.sec.gov> or at <http://www.cummins.com> in the Investor Relations section of our website.
