GCI Liberty Announces Completion of Rights Offering

ENGLEWOOD, Colo.--(BUSINESS WIRE)-- GCI Liberty, Inc. (Nasdaq: GLIBA, GLIBK) (“GCI Liberty”) announced today the completion of its rights offering, which expired in accordance with its terms at 5:00 p.m., New York City time, on December 17, 2025. GCI Liberty received approximately \$300 million in proceeds, which will be used for general corporate purposes, which may include working capital, capital expenditures and repayment or refinancing of outstanding indebtedness. GCI Liberty may also use a portion of the net proceeds from the rights offering for potential strategic acquisitions, investments or partnerships.

GCI Liberty has been informed by the subscription agent that the rights offering was fully subscribed, with 11,059,127 shares of Series C GCI Group common stock to be issued to those rightsholders exercising basic and, if applicable, oversubscription privileges. Approximately 95% of the shares to be issued as a result of the rights offering were subscribed for pursuant to validly exercised basic subscription privileges. As a result, the remaining shares available for issuance to those rightsholders validly exercising oversubscription privileges were allocated pro rata based on the number of rights underlying such rightsholders’ basic subscription privilege. There was no single proration factor for this allocation due to the process by which the subscription agent allocated the remaining shares, which involved multiple rounds of proration among the validly oversubscribing rightsholders, as described in the final prospectus relating to the rights offering, filed with the Securities and Exchange Commission (the “SEC”) on November 26, 2025 (the “final prospectus”).

The shares of Series C GCI Group common stock purchased in the rights offering were issued by GCI Liberty on December 23, 2025. GCI Liberty expects the subscription agent to distribute refunds for unfulfilled oversubscriptions of DTC participants on or about December 23, 2025 and to mail refund checks for unfulfilled oversubscriptions of registered holders on or about December 23, 2025. Any beneficial owner that exercised rights through a broker, dealer or nominee should contact such broker, dealer or nominee regarding when such beneficial owner should expect to receive their shares of Series C GCI Group common stock or refunds for unfulfilled oversubscriptions. Checks for the proceeds from the sale of rights by the subscription agent were distributed beginning on December 10, 2025.
