\* Provided in lieu of Form 8865 Schedule K-1 information for use in preparing U.S. tax returns. ProLogis European Properties had no U.S. source income or income effectively connected with a U.S. trade or business, thus only page 1 of the Form 1065-B will be filed to make any election necessary during the year for the partnership. Line numbers correspond to the applicable box on the form 1065-B Schedule K-1.

\* Please note that the functional currency for ProLogis European Properties as an entity is the Euro; however, the amounts represented above are in U.S. dollars.

Supplemental Information				
See attached statements reflecting dual consolidated loss information for the entire calendar year. The amounts reflected on the first page include losses set forth in the attached statements for the period January 1, 2011 through December 31, 2011. Each investor's share per unit should be determined based on a weighted average total outstanding units of 195,476,893 for 2011. Investors should consult their U.S. tax advisors as to whether they are subject to the dual consolidated loss rules of IRC Section 1503(d) and how the amounts reflected on the first page should be adjusted if the investor is subject to such rules.				
ProLogis International Funding S.A. is a non-U.S. entity treated as a corporation for U.S. tax purpose which is also treated as a Passive Foreign Investment Company ("PFIC") under U.S. tax law. As a unitholder of ProLogis European Properties, you may be treated as owning an indirect interest in ProLogis International Funding S.A.				
As a general matter, U.S. persons owning PFIC shares do not recognize income from the PFIC until a distribution is received or the shares are sold. However, the tax payable on such deferred income is subject to an additional interest charge from the date the PFIC shares are held. The interest charge can be avoided by electing to treat the PFIC as a Qualified Electing Fund ("QEF") and to recognize the PFIC's income currently. It should be noted that failure by U.S. unitholders to make a QEF election could also subject otherwise non-taxable return of capital distributions to tax and interest charges. In order to make a QEF election, a Form 8621 with respect to ProLogis International Funding S.A. must be filed. If you are required to file Form 8621, the information below can be used to prepare such form.				
Your pro rata share of PFIC's ordinary earnings and net capital gain (as defined in Re	eg. § 1.1293-1(a)(2)) for the taxable year are:			
Ordinary Earnings:	\$0			
Net Capital Gain:	\$0			
The amount of cash and fair market value of other property distributed or deemed dis	tributed to you during the taxable year indicated above is:			
Distribution:	\$0

#### **Supplemental Information**

ProLogis International Funding S.A. is a non-U.S. entity treated as a corporation for U.S. tax purposes which is also treated as a Passive Foreign Investment Company ("PFIC") under U.S. tax law, with respect to certain unit holders. As a unitholder of the Fund, you may be treated as owning an indirect interest in ProLogis International Funding S.A.

As a general matter, U.S. persons owning PFIC shares do not recognize income from the PFIC until a distribution is received or the shares are sold. However, the tax payable on such deferred income is subject to an additional interest charge from the date the PFIC shares are held. The interest charge can be avoided by electing to treat the PFIC as a Qualified Electing Fund ("QEF") and to recognize the PFIC's income currently. It should be noted that failure by U.S. unitholders to make a QEF election could also subject otherwise non-taxable return of capital distributions to tax and interest charges. In order to make a QEF election, a Form 8621 with respect to ProLogis International Funding S.A. must be filed. If you are required to file Form 8621, the information below can be used to prepare such form.

Your pro rata share of PFIC's ordinary earnings and net capital gain (as defined in Reg. § 1.1293-1(a)(2)) for the taxable year are:

Ordinary Earnings:	\$0
Net Capital Gain:	\$0

The amount of cash and fair market value of other property distributed or deemed distributed to you during the taxable year indicated above is:

Distribution:

\$0
